12. **Rationale and Benefits of the Scheme of Amalgamation:**

The amalgamation of WTL ("**the Transferor Company**") with MHRL ("**the Transferee Company**") will enhance the potential for business and yield beneficial results for the Company, their respective shareholders, creditors and employees:

1. The Transferor Company and the Transferee Company belongs to the same Promoter Group.

2. There exists an associate relationship between the Transferor Company and the Transferee Company.

3. The Scheme would unlock value of Hotel Business for existing shareholders of the Transferee Company through independent market driven valuation of their shares, which will be listed pursuant to the Scheme, along with the option and flexibility to remain invested in a pure play hospitality focused listed entity. In addition, the shareholders of the Transferor Company shall gain exposure to the hospitality sector by virtue of the Transferee Company's ownership and registration of the Trade Mark "**Vesta Hotels & Resorts**". The registration of the trademark empowers the shareholders of the Transferor Company with enhanced strategic influence in the brands future direction and serves as a valuable asset, conferring significant brand – related advantages to the shareholders of the Transferor Company.

4. The amalgamation of these Companies will lead to better administrative control and will be

convenient for the Company to operate as a combined entity.

5. The funds of the Transferor Company will be more effectively invested and utilized in advancing the business objectives of the Transferee Company in the Hospitality Sector, under unified management and a consolidated operational framework.

6. The amalgamation will provide an opportunity to leverage combined assets and build a stronger sustainable business.

7. The amalgamation will result in prevention of cost duplication and the resultant operations would be substantially cost – efficient. Consequently, the Transferee Company will offer a strong financial structure and facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase the operational efficiency and integrate business functions.

8. The merger of the Applicant Companies will help in creation of a platform for expansion of future business activities, and act as a gateway for growth and expanding business operations.

9. This Scheme of Amalgamation does not operate to the detriment of any stakeholder.

In these circumstances, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.

13. **Salient features/details/extract of the Scheme of Amalgamation:**

The details mentioned hereinunder has been extracted from the Scheme of Amalgamation:

C. RATIONALE FOR THE SCHEME

The amalgamation of WTL (**"the Transferor Company"**) with MHRL (**"the Transferee Company"**) will enhance the potential for business and yield beneficial results for the Company, their respective shareholders, creditors and employees:

1. The Transferor Company and the Transferee Company belongs to the same Promoter Group.
2. There exists an associate relationship between the Transferor Company and the Transferee Company.
3. The Scheme would unlock value of Hotel Business for existing shareholders of the Transferee Company through independent market driven valuation of their shares, which will be listed pursuant to the Scheme, along with the option and flexibility to remain invested in a pure play hospitality focused listed entity. In addition, the shareholders of the Transferor Company shall gain exposure to the hospitality sector by virtue of the Transferee Company's ownership and registration of the Trade Mark **"Vesta Hotels & Resorts"**. The registration of the trademark empowers the shareholders of the Transferor Company with enhanced strategic influence in the brands future direction and serves as a valuable asset, conferring significant brand – related advantages to the shareholders of the Transferor Company.
4. The amalgamation of these Companies will lead to better administrative control and will be convenient for the Company to operate as a combined entity.
5. The funds of the Transferor Company will be more effectively invested and utilized in advancing the business objectives of the Transferee Company in the Hospitality Sector, under unified management and a consolidated operational framework.
6. The amalgamation will provide an opportunity to leverage combined assets and build a stronger sustainable business.

WARREN TEA LIMITED

Soma Chaurabarty

Executive Director & Company Secretary

7. The amalgamation will result in prevention of cost duplication and the resultant operations would be substantially cost – efficient. Consequently, the Transferee Company will offer a strong financial structure and facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase the operational efficiency and integrate business functions.
8. The merger of the Applicant Companies will help in creation of a platform for expansion of future business activities, and act as a gateway for growth and expanding business operations.
9. This Scheme of Amalgamation does not operate to the detriment of any stakeholder.

In these circumstances, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.

D. PARTS OF THE SCHEME

This Scheme of Amalgamation is divided into the following parts:

1. **Part I** deals with definitions and interpretation of the terms used in this Scheme of Amalgamation and sets out the share capital of the Transferor Company and the Transferee Company and the date of taking effect of this Scheme;

2. **Part II** deals with the transfer and vesting of the Undertaking (as hereinafter defined) of the Transferor Company to and in the Transferee Company;

3. **Part III** deals with the issue of Equity Shares by the Transferee Company to the Equity Shareholders of the Transferor Company and reduction of Shares held by the Transferor Company in the Transferee Company;

4. **Part IV** deals with the accounting treatment for the amalgamation in the books of the Transferee Company;

5. **Part V** deals with the dissolution of the Transferor Company and the general terms and conditions applicable to this Scheme of Amalgamation and other matters consequential and integrally connected thereto.

The amalgamation of WTL (the "**Transferor Company**") with MHRL (the "**Transferee Company**") pursuant to and in accordance with this Scheme shall take place with effect from the Appointed Date and shall be in accordance with Section 2 (1B) of the Income Tax Act, 1961.

PART II
TRANSFER AND VESTING OF UNDERTAKING OF TRANSFEROR COMPANY TO AND IN THE TRANSFEREE COMPANY

5. TRANSFER OF "UNDERTAKING" OF TRANSFEROR COMPANY:

5.1 **Generally:** Upon the coming into effect of this Scheme and with effect from the Appointed Date, the Undertaking of the Transferor Company shall, pursuant to the provisions of Section 230 & Section 232 and other applicable provisions, if any, of the Act, be and stand transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company, as a going concern without any further act, instrument, deed, matter or thing to be done, made, executed so as to become, as and from the Appointed Date, the undertaking of the Transferee Company by virtue of and in the manner provided in this Scheme.

5.2 **Transfer of assets:**

5.2.1 Without prejudice to the generality of the above clause, upon coming into effect of this Scheme and with effect from the Appointed date:

(a) All the assets and properties comprised in the Undertaking, of whatsoever nature and wheresoever situate, whether or not recorded in the books of the Transferor Company, including assets and properties acquired on or after the appointed date, shall, under the provisions of Section 230 & Section 232 and all other applicable provisions, if any, of the Act, without any further act or deed, be and stand transferred to and vested in the Transferee Company or be deemed to be transferred to and vested in the Transferee Company as a going concern so as to become, the assets and properties of the Transferee Company.

(b) In respect of such of the assets and properties of the Transferor Company as are movable in nature or incorporeal property or are otherwise capable of transfer by manual delivery or by endorsement and/or delivery, the same shall be so transferred by the Transferor Company and shall, upon such transfer, become the assets and properties of the Transferee Company as an integral part of the Undertaking, without requiring any separate deed or instrument or conveyance for the same.

(c) In respect of movables other than those dealt with in the above clause, assets, including sundry debts, receivables, bills, credits, loans and advances, if any, whether recoverable in cash or in kind or for value to be received, bank balances, investments, earnest money and deposits with any Government, quasi-government, local or other authority or body or with any company or other person, the same shall on and from the Appointed Date stand transferred to and vested in the Transferee Company without any notice or other intimation to the debtors (although the Transferee Company may without being obliged and if it so deems appropriate at its sole discretion, give notice in such form as

it may deem fit and proper, to each person, debtor, or depositor, as the case may be, that the said debt, loan, advance, balance or deposit stands transferred and vested in the Transferee Company).

(d) In respect of such of the assets and properties of the Transferor Company as are immovable in nature, the same shall be so transferred by the Transferor Company and shall, upon such transfer, become as and from the Appointed Date the immovable assets of Transferee Company, and it shall not be necessary to obtain the consent of any third party or other person in order to give effect to the provisions of this Clause. Transferee Company shall under the provisions of this Scheme be deemed to be authorized to execute any such instruments, deeds and writings on behalf of the Transferor Company and to implement or carry out all such formalities or compliances on the part of Transferor Company to be carried out or performed in order to give effect to the provisions of this Clause.

(e) All the licenses, permits, quotas, approvals, permissions, registrations, incentives, tax deferrals and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by the Transferor Company and all rights and benefits that have accrued or which may accrue to the Transferor Company, whether before or after the Appointed Date, shall, under the provisions of Section 230 & Section 232 of the Act and all other applicable provisions, if any, without any further act, instrument or deed, cost or charge be and stand transferred to and vest in or be deemed to be transferred to and vested in and be available to the Transferee Company so as to become as and from the Appointed Date licenses, permits, quotas, approvals, permissions, registrations, incentives, tax deferrals and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, special status and other benefits or privileges of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions.

(f) For avoidance of doubts and without prejudice to the generality of the foregoing, it is clarified that upon coming in effect of the scheme and with effect of the Appointed Date, in accordance with the relevant laws, consents, permissions, licenses registration, certificates, authorities (including operation of bank accounts), power of attorneys given by, issued to or executed in favour of the Transferor Company, and rights and privileges under the same, in so far as they relate to the Transferor Company and all domain names, brands, trade secrets, product registration and other intellectual property, if any, and all other interested relating to the goods or services being dealt by the Transferor Company, shall without any further act or deed be transferred to and vested in the Transferee Company on the same terms and conditions as were applicable

to the Transferor Company immediately prior to the coming into effect of this scheme.

5.3 **Transfer of Liabilities:**

5.3.1 Upon the coming into effect of this Scheme and with effect from the Appointed Date, all liabilities relating to and comprised in the Undertaking including all secured and unsecured debts (whether in Indian rupees or foreign currency), sundry creditors, liabilities (including contingent liabilities), duties and obligations and undertakings (including warranties and guarantees given) if any of the Transferor Company of every kind, nature and description whatsoever and howsoever arising, raised or incurred or utilised for its business activities and operations (herein referred to as the **"Liabilities"),** shall, under the provisions of Section 230 & Section 232 and other applicable provisions, if any, of the Act, without any further act, instrument, deed, matter or thing, be transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company, along with, any charge, encumbrance, lien or security thereon, and the same shall be assumed by the Transferee Company to the extent they are outstanding on the Effective Date so as to become as and from the Appointed Date the liabilities of the Transferee Company on the same terms and conditions as were applicable to the Transferor Company, and the Transferee Company shall meet, discharge and satisfy the same and further it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such Liabilities have arisen in order to give effect to the provisions of this Clause.

5.3.2 All debts, liabilities, duties and obligations of the Transferor Company as on the Appointed Date, whether or not provided in the books of the Transferor Company, and all debts and loans raised, and duties, liabilities and obligations incurred or which arise or accrue to the Transferor Company on or after the Appointed Date till the Effective Date, shall be deemed to be and shall become the debts, loans raised, duties, liabilities and obligations incurred by the Transferee Company by virtue of this Scheme, which shall meet, discharge and satisfy the same.

5.3.3 Where any such debts, loans raised, liabilities, duties and obligations of the Transferor Company as on the appointed Date have been discharged or satisfied by the Transferor Company after the Appointed Date and prior to the Effective Date, such discharge or satisfaction shall be deemed to be for and on account of the Transferee Company.

5.3.4 All loans raised and utilised and all liabilities, duties and obligations incurred or undertaken by the Transferor Company in the ordinary course of its business after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the

coming into effect of this Scheme and under the provisions of Section 230 & Section 232 of the Act, without any further act, instrument or deed be and stand transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company and shall become the loans and liabilities, duties and obligations of the Transferee Company which shall meet, discharge and satisfy the same.

5.3.5 Loans, advances and other obligations (including any guarantees, letters of credit, letters of comfort or any other instrument or arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between the Transferor Company and the Transferee Company shall, *ipso facto*, stand discharged and come to an end and there shall be no liability in that behalf on any party and appropriate effect shall be given in the books of accounts and records of the Transferee Company. It is hereby clarified that there will be no accrual of interest or other charges in respect of any inter-company loans, advances and other obligations with effect from the Appointed Date.

6. ENCUMBRANCES:

6.1 The transfer and vesting of the assets comprised in the Undertaking to and in the Transferee Company of this Scheme shall be subject to the mortgages and charges, if any, affecting the same, as and to the extent hereinafter provided.

6.2 All the existing securities, mortgages, charges, encumbrances or liens (the **"Encumbrances"),** if any, as on the Appointed Date and created by the Transferor Company after the Appointed Date, over the assets comprised in the Undertaking or any part thereof transferred to the Transferee Company by virtue of this Scheme and in so far as such Encumbrances secure or relate to Liabilities of the Transferor Company, the same shall, after the Effective Date, continue to relate and attach to such assets or any part thereof to which they are related or attached prior to the Effective Date and as are transferred to the Transferee Company, and such Encumbrances shall not relate or attach to any of the other assets of the Transferee Company, provided however that no Encumbrances shall have been created by the Transferor Company over its assets after the date of filing of the Scheme without the prior written consent of the Board of Directors of the Transferee Company.

6.3 The existing Encumbrances over the assets and properties of the Transferee Company or any part thereof which relate to the liabilities and obligations of the Transferee Company prior to the Effective Date shall continue to relate only to such assets and properties and shall not extend or attach to any of the assets and properties of the Transferor Company transferred to and vested in the Transferee Company by virtue of this Scheme.

WARREN TEA LIMITED

Executive Director & Company Secretary

MAPLE HOTELS & RESORTS LTD. Kolkata

6.4 Upon the coming into effect of this Scheme, the Transferee Company alone shall be liable to perform all obligations in respect of the Liabilities, which have been transferred to it in terms of the Scheme.

6.5 It is expressly provided that, no other term or condition of the Liabilities transferred to the Transferee Company is modified by virtue of this Scheme except to the extent that such amendment is required statutorily or by necessary implication.

6.6 The provisions of this Clause shall operate in accordance with the terms of the Scheme, notwithstanding anything to the contrary contained in any instrument, deed or writing or the terms of sanction or issue or any security document; all of which instruments, deeds or writings shall be deemed to stand modified and/or superseded by the foregoing provisions.

7. CONTRACTS, DEEDS, ETC.:

7.1 Upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, schemes, arrangements, assurances and other instruments, of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or have effect immediately before the Effective Date, shall continue in full force and effect by, for or against or in favour of, as the case may be, the Transferee Company and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligee or obligor thereto or thereunder.

7.2 Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertaking occurs by virtue of this Scheme itself, the Transferee Company may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required under any law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations or other writings or arrangements with any party to any contract or arrangement to which the Transferor Company are a party or any writings as may be necessary in order to give formal effect to the provisions of this Scheme. The Transferee Company shall, under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of the Transferor Company and to carry out or perform all such formalities or compliances referred to above on the part of the Transferor Company to be carried out or performed.

7.3 For the avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that upon the coming into effect of this Scheme, all consents, permissions, licenses, certificates, clearances, authorities, powers of attorney given by, issued to or executed in favour of the Transferor Company shall without any further act or deed, stand transferred to the Transferee Company, as if the same were originally given by, issued to or executed in favour of the Transferee

Company, and the Transferee Company shall be bound by the terms thereof, the obligations and duties thereunder, and the rights and benefits under the same shall be available to the Transferee Company. The Transferee Company shall receive relevant approvals from the concerned Governmental Authorities as may be necessary in this behalf.

8. LEGAL PROCEEDINGS:

8.1 On and from the Appointed Date, all suits, actions, claims and legal proceedings, if any by or against the Transferor Company pending and/or arising on or before the Effective Date shall be continued and / or enforced as desired by the Transferee Company and on and from the Effective Date, shall be continued and / or enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been originally instituted and/or pending and/or arising by or against the Transferee Company.

8.2 The Transferee Company shall have all legal, taxation or other proceedings initiated by or against the Transferor Company, as referred above, transferred to its name as soon as is reasonably possible after the Effective Date and to have the same continued, prosecuted and enforced by or against the Transferee Company, as a successor of the Transferor Company.

9. TRANSFER OF PROFITS AND RESERVES: With effect from the Appointed Date, all profits, reserves, income accruing to or losses and expenditure, if any (including payment of penalty, damages or such litigation) arising or incurred by the Undertaking of Transferor Company shall for all purposes, be treated as the profits or reserves or income or losses or expenditure, as the case may be of Transferee Company;

10. TRANSFER OF AUTHORIZED CAPITAL: Upon the Scheme coming into effect and pursuant to Section 232(3) of the Companies Act, 2013, the Authorized Share capital of the Transferor Company shall be deemed to be added to that of the Transferee Company without any further act, instrument or deed on the part of the Transferee Company. Provided however that pursuant to this scheme only such amount of Authorized Share Capital of the Transferor Company would be added to the Authorized Share Capital of the Transferee Company as can be raised by the Transferee Company by utilizing the fees already paid by the Transferor Company on its Authorized Share Capital which is available for set-off against any fees payable by the Transferee Company for increase in the Authorized Share Capital. The Clause V of the Memorandum of Association of the Transferee Company shall stand amended to give effect to the relevant provisions of this Scheme and no further resolution(s) under the provisions of the Companies Act, 2013 would be required to be separately passed.

might have been continued, prosecuted, enforced by or against Transferor Company if this Scheme had not been made. Transferee Company shall take steps to have the abovementioned proceedings continued in its name;

11.6. **Enforcement of Contracts**: Subject to the other provisions of this Scheme, all lawful agreements, arrangement, bonds, contracts, deeds and other instruments of whatsoever nature relating to the Undertaking of Transferor Company and to which Transferor Company are a party to or to the benefit of which it may be eligible and which are subsisting or operative or having effect, shall till the Effective Date, be in full force and effect and may be enforced as fully and effectual, as if the Scheme had not been made and thereafter, shall be in full force and effect against or in favor of Transferee Company, as the case may be, and may be enforced as fully and effectual as if, instead of Transferor Company, Transferee Company had been a party or beneficiary thereto, subject to such changes and variations in the terms, conditions and provisions thereof as may be mutually agreed to between Transferee Company and other parties thereto. Transferee Company shall enter and/or issue and/or execute deeds, writings or confirmations or enter into any arrangement, confirmations or novations in order to give formal effect to the provisions of this Clause, if so required or if it becomes necessary.

11.7. **Rights of Shareholders**: The holders of shares of Transferor Company and Transferee Company shall, save as otherwise provided under this Scheme, continue to enjoy their existing rights under their respective Articles of Association including the right to receive dividends from the respective Company of which they are members till the Effective Date.

11.8. **Place of Vesting**: The vesting of the Undertakings shall by virtue of the provisions of this Scheme and the effect of the provisions of Sections 230 to 232 of the said Act, take place at the registered office of Transferee Company.

12. APPLICABILITY OF PROVISIONS OF INCOME TAX ACT, 1961 AND OTHER TAX LAWS:

12.1 This Scheme has been drawn up to comply with the conditions relating to "amalgamation" as specified under Section 2(1B), Section 47 and other relevant provisions of The Income Tax Act, 1961. If any term or provision of the Scheme is found or interpreted to be inconsistent with the provisions of the said section and other related provisions at a later date including resulting from a retrospective amendment of law or for any other reason whatsoever, till the time the Scheme becomes effective, the provisions of the said section and other related provisions of The Income Tax Act, 1961 shall prevail and the Scheme shall stand modified to the extend determined necessary, to comply with Section 2(1B) and other relevant provisions of the Income Tax Act, 1961.

ISSUE OF EQUITY SHARES BY TRANSFEREE COMPANY AND REDUCTION OF SHARES HELD BY THE TRANSFEROR COMPANY IN THE TRANSFEREE COMPANY

16. ISSUE OF EQUITY SHARES BY MHRL

16.1 Issue of Equity Shares to Shareholder of WTL:

Upon the scheme becoming operative, in consideration of the transfer and vesting of WTL in Transferee Company in terms of this Scheme, Transferee Company shall without any further application or deed (except as outlined elsewhere) issue and allot to the shareholders of WTL, whose name is recorded in the Register of Members, of WTL on the record date or his/her heirs, executor, administrators or the successors in title, as the case may be 1 (One) Equity Share of Rs. 10/- each in Transferee Company, credited as fully paid up for every 1 (One) Equity Share of Rs. 10/- each, fully paid-up, held by such member in WTL on such terms and conditions as the Board of Transferee Company may determine. The Company will not issue any fractional shares. The issue and allotment of new Equity Shares by the Transferee Company to the shareholders of the Transferor Company is an integral part of the Scheme.

16.2 Upon this Scheme becoming effective, the Board of the Transferor Company shall, on the Record Date, provide to the Transferee Company, a list containing particulars of the equity shareholders of the Transferor Company as on the Record Date, along with their respective entitlement to the fully paid-up equity shares of the Transferee Company, pursuant to this Scheme.

16.3 The Equity Shares to be issued and allotted by the Transferee Company shall be subject to the provisions of Memorandum of Association and Articles of Association of the Transferee Company and shall rank pari passu in all respects with the existing Equity Shares of the Transferee Company.

16.4 The Share Exchange Ratio has been arrived at on basis of the valuation report issued by an Independent Chartered Accountant, and a fairness report issued on the fairness of the said Share Exchange Ratio determined for the vesting of the Transferor Company into the Transferee Company by an independent merchant banker.

16.5 In the event that the Transferor Company or the Transferee Company restructure their share capital by way of share split/ consolidation/ issue of bonus shares during the pendency of this Scheme, the Equity Shares shall be adjusted accordingly to take into account the effect of any such corporate actions.

16.6 Pursuant to the issuance of the Equity Shares as aforesaid to the shareholders of the Transferor Company, the shareholders of the Transferor Company shall become the shareholders of the Transferee Company.

16.7 The shareholders of the Transferor Company shall be entitled to receive the equity shares of the Transferee Company in dematerialized form and shall if required provide details of the depository accounts and such other confirmations as may be required by the Transferee Company. It is only thereupon that the Transferee Company shall be able to issue and directly credit the dematerialized securities account of such member with its equity shares. It is clarified that, each of the members holding equity shares in dematerialized form as on the Record Date shall be issued equity shares of the Transferee Company as per the records maintained by the depositary participant.

16.8 The Transferee Company shall apply to BSE Limited and SEBI for listing and admission of all the Equity Shares of Transferor Company (the New Equity Shares of Transferee Company) subject to the execution of the listing agreement, necessary compliance and payment of appropriate fee shall under the provision of Rule 19(2)(b) of the Securities Contracts (Regulations) Rules, 1957; be listed and /or admitted to trading. The Transferee Company shall enter into such arrangements and give such confirmations and/ or undertakings as may be necessary in accordance with applicable laws or regulations for complying with the formalities of the said Stock Exchange.

16.9 The existing Equity Shares of the Transferee Company and the Equity Shares in the Transferee Company allotted pursuant to the Scheme shall remain frozen in the depository system till listing/trading permission is given by the designated stock exchange.

16.10 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor Company, the Board of Directors of the Transferee Company shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer as if such changes in the registered holder were operative as on the Record in order to remove any difficulties, after the effectiveness of this Scheme.

16.11 The Transferee Company shall before allotment of the Equity Shares in terms of the present Scheme, after increase in Authorized Share Capital pursuant to set off of the Transferor Company's Authorized Share Capital, increase its Authorized Share Capital, if necessary, by the creation of at least such number of Shares having Face Value of Rs.10/- each as may be necessary in accordance with the provisions of the Companies Act, 2013 to satisfy its obligations under the provisions of the Scheme. PART IV
ACCOUNTING TREATMENT

19. ACCOUNTING TREATMENT:

With effect from the Appointed Date and upon the Scheme becoming effective, the Transferee Company shall account for the amalgamation of the Transferor Company in its books of accounts under the 'Pooling of Interest Method', as described in Appendix C of the Accounting Standards -103 'Business Combinations of entities under common control' notified under Section 133 of the Act read with relevant rules issued thereunder, such that:

19.1 The investments in the equity share capital of the Transferee Company as appearing in the books of accounts of the Transferor Company shall stand cancelled as envisaged and accordingly the issued and paid-up equity share capital of the Transferee Company shall stand reduced to the extent of face value of equity shares held by the Transferor Company in the Transferee Company. The investment held by the Transferee Company in the Transferor Company shall, upon the Scheme becoming effective, stand cancelled and be adjusted against the reserves of the Transferee Company to the extent of the book value of such investment."

19.2 The Transferee Company shall record all the assets and liabilities of the Transferor Company, vested in the Transferee Company pursuant to this Scheme, at their carrying values at the close of business of the day immediately preceding the Appointed Date.

19.3 The balance of the retained earnings as appearing in the books of the Transferor Company will be aggregated with the corresponding balance appearing in the books of the Transferee Company.

19.4 The identity of the reserves of the Transferor Company shall be preserved and they shall appear in the books of the Transferee Company in the same form and manner in which they appear in the books of the Transferor Company.

19.5 The Transferee Company shall credit the aggregate face value of the Equity Shares issued by it to the shareholders of the Transferor Company pursuant to this Scheme to the Share Capital Account in its books of accounts.

19.6 The difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the Transferor Company shall be transferred to capital reserve and should be presented separately from other capital reserves.

19.7 In case of any difference in accounting policy between the Transferor Company and the Transferee Company, the accounting policies followed by the Transferee Company will prevail and the difference will be quantified and adjusted as per guidance provided under Accounting Standard - 103 'Business Combination', to ensure that the financial statements of the Transferee Company reflect the financial position on the basis of consistent accounting policy.

direct or impose, or which may otherwise be considered necessary, desirable or appropriate as a result of subsequent events or otherwise by them (i.e. the Board of Directors). The Transferor Company and the Transferee Company by their respective Board are authorized to take all such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whatsoever for carrying the Scheme, whether by reason of any directive or orders of any other authorities or otherwise howsoever, arising out of or under or by virtue of the Scheme and/ or any matter concerned or connected therewith.

22.2 Withdrawal of Scheme: In the event that any conditions proposed by the above said authorities are found unacceptable for any reason whatsoever by Transferor Company or by Transferee Company, then Transferor Company and/or Transferee Company shall be entitled to withdraw the Scheme in which even no rights and liabilities whatsoever shall accrue to or be incurred inter se to or by the parties or any of them.

22.3 Notwithstanding anything contained herein above, the Board of Directors of the Transferor Company and the Transferee Company shall be entitled to withdraw this Scheme prior to the Effective Date.

23. SCHEME CONDITIONAL ON APPROVALS AND SANCTIONS:

The Scheme is conditional upon and subject to the following approvals/permissions and the amalgamation shall be deemed to be complete on the date on which the last of such approval/permissions shall have been obtained:

23.1 The approval and agreement of the Scheme by the requisite majorities of Equity Shareholders/creditors (if any) of the Transferor and Transferee Company, as may be directed by the Tribunal, Kolkata Bench on the applications made for directions under Section 230 of the said Act for calling meeting and necessary resolutions being passed under the said Act.

23.2 The Approval of the Stock Exchange, where the Equity Shares of the Transferor Company is listed, shall be obtained. The Transferor Company will provide e-voting facility to all its shareholders in terms of Para 10 (a) of Part I of the SEBI Master Circular no. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023 and Scheme of Amalgamation shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast by the public shareholders against it as required in Para 10 (b) Part I of the aforesaid SEBI Circular. The term 'Public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957.

23.3 The Transferee Company shall apply to BSE Limited and SEBI for listing and admission of all the Equity Shares of Transferor Company (the new equity shares of the Transferee Company) subject to execution of the listing agreement, necessary

compliance and payment of appropriate fee shall under the provision of Rule 19(2)(b) of the Securities Contracts (Regulations) Rules, 1957; be listed and/or admitted to trading. The Transferee Company shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with applicable laws or regulations for complying with the formalities of the said stock exchange.

23.4 Sanction of NCLT, Kolkata Bench: The sanction of the Hon'ble NCLT, Kolkata Bench under Sections 230 and 232 and other applicable provisions of the said Act in favour of the Transferor Company and the Transferee Company and the certified copy of the order of the Tribunal sanctioning this scheme being filed with Registrar of Company.

23.5 Such other sanctions and approvals as may be required by law in respect of this Scheme being obtained.

24. BINDING EFFECT

Upon the Scheme becoming effective, the same shall be binding on the Transferor Company and the Transferee Company and all concerned parties without any further act, deed, matter or thing.

25. EFFECT OF NON-RECEIPT OF APPROVALS/ SANCTIONS:

In the event of any of the said approvals or conditions referred to in above not being obtained and/or complied with and/or satisfied and/or the Scheme not being sanctioned by the Tribunal and/or order or orders not being passed as aforesaid, the Scheme of Amalgamation shall become null and void and shall stand revoked, cancelled and be of no effect, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or may otherwise arise in law.

26. EFFECT OF NON-FULFILLMENT OF ANY OBLIGATION:

In the event of non-fulfillment of any or all the obligations under the Scheme, by either Transferor Company or Transferee Company, the non-performance of which will put the other company under any obligation, then such defaulting company will indemnify all costs/interest, etc. to the other company, subject to a specific provision if any to the contrary under the Scheme.

27. SEVERABILITY:

If any part of this Scheme is found to be unworkable for any reason whatsoever, the same shall not, subject to the decision of the Companies, affect the validity or implementation of the other parts and/or provisions of the Scheme.

1. CONTEXT AND PURPOSE

Based on the discussion with the Management of the Companies (herein after referred to as **"the Management"**), the Companies are contemplating a Scheme of Amalgamation, wherein they intend to amalgamate WARREN TEA into MAPLE from 1st April, 2025 (hereinafter referred to as **"Appointed Date"**) in accordance with the provisions of Sections 230 to 232 of the Companies Act, 2013 or any statutory modifications, re-enactment or amendments thereof for the time being in force (hereinafter referred to as **"the Act"**) read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 (hereinafter referred to as **"the Rules"**), as amended from time to time and all other applicable provisions, if any, of the Act and any other applicable law for the time being in force including the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the circulars issued therein (hereinafter referred to as **"the Regulations"**), in each case, as amended from time to time, and in a manner provided in the Draft Scheme of Amalgamation.

The Proposed Scheme provides amalgmation of WARREN TEA into MAPLE, as going concern, without any further act or instrument and pursuant to the applicable provisions of the Act, together with all the properties, assets, rights, liabilities, benefits and interest therein, as more specifically described in the Scheme. As a consideration for the proposed amalgamation of WARREN TEA with MAPLE, the Equity Shareholders of WARREN TEA shall be allotted the Equity Shares of MAPLE.

I understand that the Appointed Date for the Proposed Amalgamation shall be 1st April, 2025 as defined further in the scheme.

The scope of my service is to conduct a relative (not absolute) valuation of the shares of the Companies and recommending a Fair Equity Share Exchange Ratio for the proposed Amalgamation in accordance with the the ICAI Valuation Standards 2018 issued by the Institute of Chartererd Accountants of India. This report ("Report") sets out the findings of my exercise, the Valuation Date is considered as on 29th June, 2025.

For the purpose of arriving at valuation of the Companies, I have considered base as "Relative value". My valuation, and this report, is based on the premise of "going concern" value. Any change in the valuation base, or the premise could have significant impact on my valuation exercise, and therefore, this report.

I have been provided with the Audited Financial Statements of WARREN TEA and MAPLE for the Financial Year ended as on 31st March, 2025. I have taken into consideration the current market parameters in my analysis and have adjusted for additional facts made known to me till the date of my Report. The Management has informed me that there are no unusual/abnormal events in the Transacting Companies materially impacting their operating/ financial performance between 31st March, 2025 and the Report Date.

I have relied on the above while arriving at fair equity share exchange ratio for the Proposed Amalgamation.

I have been informed that:

a. With effect from the Valuation Date, and upto and including the effective date of the Scheme, there would not be any capital variation in the Companies except by mutual consent of the Board of Directors of the Companies or such other events as contempleted in the Scheme.

b. Till the Proposed Amalgamation becomes effective, neither of the Companies would declare any dividend which are materially different from those declared in the past few years.

c. There would be no significant variation between the Draft Scheme of Amalgamtion and the Final Scheme of Amalgamation approved and submitted with the relevant authorities.

I have been informed that, In the event either of the Companies restructure their equity share capital by way of share split / consolidation / issue of bonus share / merger / demerger / reduction of share capital before the Scheme becomes effective, the issue of shares pursuant to the Fair Equity Share Exchange Ratio recommended in this Report shall be adjusted accordingly to consider the effect of any such corporate actions.

This Report is my deliverable for the above engagement and is subject to the scope, limitations, assumptions and caveats detailed hereinafter.

As such, the Report is to be read in totality and not in parts and in conjunction with the relevant documents referred to therein.

5. DATE OF APPOINTMENT, VALUATION DATE, RELEVANT DATE & REPORT DATE

The Date of Appointment of Registered Valuer is 18th June, 2025. The Analysis of the Relative Value of the Equity Shares of the Companies has been carried out as on 29th June, 2025 based on the Latest Available Audited Financial Statements as on 31st March, 2025 of the Companies and the Management Certified Financial Projections of the Transferee Company from 1st April, 2025 to 31st March, 2028. The Report Date is 30th June, 2025.

6. SOURCES OF INFORMATION

- I have called for and obtained such data, information, explanations etc., as deemed necessary for the purpose of my analysis, which have been made available to me by the Management of the respective Company:

  - Audited Financial Statements of the Transferee Company, Transferor Company and some of the Investee Companies for the Financial Year ending as on 31st March, 2025.
  - Business Plan and Management Certified Financial Projections of the Transferee Company from 1st April, 2025 to 31st March, 2028.
  - Audited Financial Statements of some of the Investee Companies for the Financial Year ending as on 31st March, 2024.
  - Valuation Report from Mr. Sarbajit Datta - Registered Valuer with IBBI for Land & Buildings for the Fair Value of Immovable Properties in the Transacting Companies as provided to me by the Management.
  - Draft Scheme of Amalgamation between Transferor Company and the Transferee Company and their respective shareholders.
  - Shareholding pattern of the Companies as on the Valuation Date.
  - BSE, NSE & MCA and other Companies websites for details of the Companies.
  - Management Representation Letter and other discussions with the Management.
  - Other relevant available information.

- During the discussions with the Managements of the Companies, I have also obtained explanations and information considered reasonably necessary for my exercise in respect of each of the Company. The Companies have been provided with the opportunity to review the Draft report (excluding the recommended Fair Equity Share Exchange Ratio) as part of my standard practice to make sure that factual inaccuracies / omissions are avoided in my report.

7. VALUATION STANDARDS FOLLOWED AND PROCEDURES ADOPTED

The Report has been prepared in compliance with the Valuation Standards adopted by ICAI Registered Valuers Organisation.

In connection with this exercise, I have adopted the following procedures to carry out the valuation analysis:

1. Requested and received financial and operational information of the Companies from the Management.

2. Discussions (physical / over call) with the Management to:
   a. Understand the business and fundamental factors that affect its earning-generating capability.
   b. Enquire about the historical financial performance, current state of affairs and business plans and realizability of assets.

3. Undertook Industry Analysis:
   a. Research publicly available market data including economic factors and industry trends that may impact the valuation.
   b. Analysis of key trends and valuation multiples of comparable companies.

4. Obtained and analyzed market prices, volume data and other relevant information for WARREN TEA.

5. Requested and received relevant data including Financial Statements of the Companies and the Investee Companies from the Management.

6. Requested and received relevant data including Financial Projections and Business Plan of the Transferee Company from the Management.

7. Requested and received Draft Scheme of Amalgamation between Transferor Company and the Transferee Company and their respective shareholders.

8. Obtained and analysed data available in public domain, related to companies and their peers as considered relevant by me.

9. Identification of suitable comparable companies in discussion with the Management.

10. Selection of valuation approach and valuation methodology/ (ies), as considered appropriate and relevant by me.

11. Arrived at the equity value of the Transacting Companies in order to determine fair equity share exchange ratio for the Proposed Amalgamation.

8. VALUATION METHODOLOGY AND APPROACH

It is universally recognised that valuation is not an exact science and that estimating values necessarily involves selecting a method and approach that is suitable for the purpose.

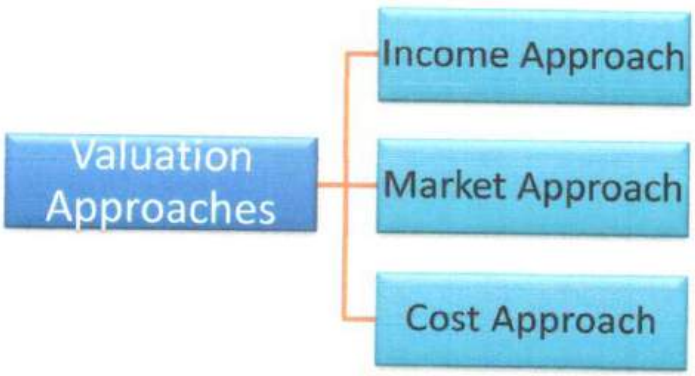

Valuation of the equity shares of the companies as on the Valuation Date is carried out in accordance with ICAI VS, considering "Relative Value" base and "Going Concern value" premise. Any change in the valuation base, or the valuation premise could have a significant impact on the valuation outcome of the Companies.

This exercise may be carried out using various methodologies, the relative emphasis of each often varying with:

- Whether the entity is listed on a stock exchange
- Industry to which the Companies belongs
- Past track record of the business and the ease with which the growth rate in cash flows to perpetuity can be estimated
- Extent to which Industry and Comparable Company information is available

The results of the exercise could vary significantly depending upon the basis used, the specific circumstances and professional judgement of the valuer. In respect of going concerns, certain valuation techniques have evolved over time and are commonly in vague.

ICAI Valuation Standard specifies that generally, following three approaches are used for valuation of business/ business ownership interest.

Each of the above approaches is discussed in the following paragraphs:

1. Market Approach:

Market approach is a valuation approach that uses prices and other relevant information generated by the market transactions involving identical or comparable (i.e., similar) assets, liabilities or a group of assets and liabilities, such as a business.

Market Price Method:

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares.

In the present case, I have not considered the Market Price method for the Transferee Company as the equity shares of the Transferee Company are not listed in any stock exchanges.

The Equity Shares of the Transferor Company are listed on BSE and are frequently traded. I have considered volume weighted average price of the Transferor Company as per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 determined using the data of BSE.

The price considered is higher of following:

a) the 90 trading days' volume weighted average prices of shares of the Transferor Company quoted on BSE preceding the relevant date i.e 30th June, 2024; or

b) the 10 trading days' volume weighted average prices of shares of the Transferor Company quoted on BSE preceding the relevant date i.e 30th June, 2024.

Comparable Companies Multiple (CCM)/ Comparable Transactions Multiple (CTM) Method

Under this methodology, market multiples of comparable listed companies are computed and applied to the business being valued in order to arrive at a multiple based valuation. The difficulty here is in the selection of a comparable Company since it is rare to find two or more companies with the same product portfolio, size, capital structure, business strategy, and profitability and accounting practices.

For the Transferor Company, there are no listed comparable companies operating in similar line of business and having similar operating/financial metrics as the Transferor Company. Moreover, it primarily derives value from the investments in equity shares of Unlisted companies and other securities, etc. and loans given by it. Thus, I have not used the CCM method for valuing the Equity Shares of the Transferor Company.

To value the Transferee Company, I have employed the Comparable Company Method (CCM). This involved identifying and analyzing relevant publicly-traded companies in the hospitality industry to determine appropriate valuation multiples.

Under CTM, the value of shares/ business of a company is determined based on market multiples of publicly disclosed transactions in the similar space as that of the subject company. Multiples are generally based on data from recent transactions in a comparable sector, but with appropriate adjustment after consideration has been given to the specific characteristics of the business being valued.

Based on my analysis and discussion with Management, I understand that there are no recent comparable transactions, data of which is available in public domain, involving companies of similar nature and having a similar operating/ financial metrics as that of the Companies. I have therefore not used CTM method to value the equity shares of these Companies.

2. Income Approach:

Income Approach is a valuation approach that converts maintainable or future amounts (e.g., cash flows or income and expenses) to a single current (i.e., discounted or capitalised) amount. An approach based on earnings is relevant in case of companies generating a steady stream of income.

Discounted Cash Flows - "DCF"

Under DCF method, the projected free cash flows from business operations, after considering fund requirements for projected capital expenditure and incremental working capital, are discounted at the Weighted Average Cost of Capital (WACC). The sum of the discounted value of such free cash flows and discounted value of perpetuity is the value of the business. The free cash flows represent the cash available for distribution to both the owners and the lenders of the business.

WACC is considered as the most appropriate discount rate in the DCF Method, since it reflects both the business and the financial risk of the company. In other words, WACC is the weighted average of cost of equity and cost of debt of the Company.

To the value so arrived, appropriate adjustments have been made for loan funds, contingent liabilities, cash and cash equivalents, value of investments and other assets / liabilities, to arrive at the equity value.

The Transferor Company does not have a steady stream of income and it primarily derives value from the investments in Equity Shares of Unlisted Companies and other securities, etc. and loans given by it, so the Management is not in a position to provide me with the accurate long-term future projections. Hence, I am not able to use Income Approach for the Transferor Company.

Keeping in mind the context and purpose of the Report, I have used the DCF method for the Transferee Company as it captures the growth potential of the business going forward. I have used this method to calculate the Fair Value of Equity Shares of the Transferee Company based on the Financial Projections prepared by the Management.

3. Cost Approach or Asset Approach

It is a valuation approach that reflects the amount that would be required currently to replace the service capacity of an asset (often referred to as current replacement cost).

The common methodologies for the cost approach are the Replacement Cost Method and Reproduction Cost Method. These methods involve determining the value of the asset based on the cost that would have to be incurred to recreate/replicate the asset with substantially the same utility as that of the asset under valuation.

Asset Approach / Net Asset Value Method ("NAV")

The value arrived at under this approach is based on the Audited Financial Statement of the business and may be defined as Shareholders' Funds or Net Assets owned by the business. The balance sheet values are adjusted for any contingent liabilities that are likely to materialize. The Net Asset Value is generally used as the minimum break-up value for the transaction since this methodology ignores the future return the assets can produce and is calculated using historical accounting data.

This approach involves determining the value per share based on the assets and liabilities of a Companies. I have used the NAV Approach to determine the value of the Companies. For this approach, the value of the underlying assets and other assets has been considered at their realizable/ fair values.

Hence, I have used Net Asset value method.

9. APPROACH FOR RECOMMENDATION OF FAIR EQUITY SHARE EXCHANGE RATIO

The Proposed Amalgamation contemplates the amalgamation of WARREN TEA with MAPLE. Arriving at the Fair Equity Share Exchange Ratio for the Proposed Amalgamation would require determining the relative value of equity shares of Transacting Companies. These values are to be determined independently, but on a relative basis for the Valuation Subjects, without considering the effect of the Proposed Amalgamation.

My choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for Proposed Amalgamation and my reasonable judgment, in an independent and bona fide manner.

10. BASIS FOR RECOMMENDATION OF FAIR EQUITY SHARE EXCHANGE RATIO

Recommendation of equity share exchange ratio for the proposed amalgamation of WARREN TEA with MAPLE

The basis of the amalgamation of WARREN TEA with MAPLE would have to be determined after taking into consideration all the factors and methods mentioned hereinafter. Though different values have been arrived at under each of the approaches / methods as mentioned in the Annexures, for the purpose of recommending the fair equity share exchange ratio of equity shares it is necessary to arrive at a final value for each Valuation Subject. It is however important to note that in doing so, I am not attempting to arrive at the absolute equity values of the Valuation Subjects, but at their relative values to facilitate the determination of the fair equity share exchange ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approaches/ methods.

The fair equity share exchange ratio has been arrived at on the basis of a relative equity valuation of Valuation Subjects based on the various approaches / methods explained in the Annexures and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of the Valuation Subjects, having regard to information base, key underlying assumptions and limitations.

While I have provided our recommendation of the fair equity share exchange ratio based on the information available to me and within the scope and constraints of our engagement, others may have a different opinion as to the fair equity share exchange ratio. The final responsibility for the determination of the exchange ratio at which the amalgamation of WARREN TEA with MAPLE shall take place will be with the Board of Directors of the respective Companies who should consider other factors such as their own assessment of the amalgamation of WARREN TEA with MAPLE and input of other advisors.

I have independently applied approaches / methods discussed in the Annexures, as considered appropriate, and arrived at the relative value per share of the Companies. To arrive at the consensus on the fair equity share exchange ratio for the Proposed Amalgamation of WARREN TEA with MAPLE, suitable minor adjustments / rounding off have been done.

It should be noted that I have not examined any other matter including economic rationale for the Proposed Amalgamation of WARREN TEA with MAPLE per se or accounting, legal or tax matters involved in the Proposed Amalgamation.

11. SCOPE LIMITATIONS, ASSUMPTIONS & CAVEATS

I. This document has been prepared for the purposes stated herein and should not be relied upon for any other purpose. The Management is the only authorized user of this report and are restricted for the purpose indicated in the engagement letter. This restriction does not preclude the Client from providing a copy of the report to third-party advisors whose review would be consistent with the intended use.
I do not take any responsibility for the unauthorized use of this report.

II. I owe responsibility to only to the Client that has appointed me under the terms of the engagement letter. I will not be liable for any losses, claims, damages or liabilities arising out of the actions taken, omissions or advice given by any other person. In no event shall I be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the client or companies, their directors, employees or agents.

III. While my work has involved an analysis of financial information and accounting records, my engagement does not include an audit in accordance with generally accepted auditing standards of the client existing business records. Accordingly, I express no audit opinion and assume no responsibility and make no representations with respect to the accuracy or completeness of any information provided by and on behalf of you and the client.

IV. My report is subject to the scope and limitations detailed hereinafter. As such the report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to herein and in the context of the purpose for which it is made.

V. The decision to carry out the Proposed Amalgamation (including consideration thereof) lies entirely with the Management / Board of Directors of the respective Companies and my work and findings shall not constitute recommendation as to whether or not the Management/ the Board of Directors of the Company should carry out the Proposed Amalgamation.

VI. The determination of fair value for arriving at fair equity share exchange ratio is not a precise science and the conclusions arrived at in many cases, will, of necessity, be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single fair value.

VII. The recommendation rendered in this Report only represent my recommendation based upon information furnished by the Companies and gathered from public domain (and analysis thereon) and the said recommendation shall be considered to be in the nature of non-binding advice. My recommendation should not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors. I take no responsibility or liability towards third parties for any loss, damage, cost or expense caused by use of or reliance on information disclosed in this report.

VIII. A valuation of this nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular as in effect on and the information made available to me as of, the date hereof. This Report is issued on the understanding that the Management has drawn my attention to all the matters, which they are aware of concerning the financial position of the Companies and any other matter, which may have an impact on my opinion, on the fair equity share exchange ratio for the Proposed Amalgamation. Events occurring after the date hereof may affect this Report and the assumptions used in preparing it, and I do not assume any obligation to update, revise or reaffirm this Report.

IX. The Companies and its Management/representatives warranted to me that the information they supplied was complete, accurate and true and correct to the best of their knowledge. I have relied upon the representations of the Companies and their Management and other third parties concerning the financial data. I shall not be liable for any loss, damages, cost or expenses arising from fraudulent acts, misrepresentations, or willful default on part of the companies, their directors, employees or agents.

X. I have been informed by Management that there are no significant lawsuits, or any other undisclosed contingent liabilities which may potentially affect the business, except as may be disclosed elsewhere in this report. I have assumed that no costs or expenses will be incurred in connection with such liabilities, except as explicitly stated in this report.

XI. I have relied on data from external sources also to conclude the valuation. These sources are believed to be reliable and therefore, I assume no liability for the truth or accuracy of any data, opinions or estimates furnished by others that have been used in this analysis. Where I have relied on data, opinions or estimates from external sources, reasonable care has been taken to ensure that's such data has been correctly extracted from those sources and/or reproduced in its proper form and context.

XII. The report assumes that the Companies comply fully with relevant laws and regulations applicable in its area of operations and usage unless otherwise stated, and that the companies will be managed in a competent and responsible manner. Further, as specifically stated to the contrary, this report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigations and other contingent liabilities that are not recorded/reflected in the balance sheet/fixed assets register provided to me.

XIII. I am fully aware that based on the opinion of value expressed in this report, I may be required to give testimony or attend court / judicial proceedings with regard to the subject assets, although it is out of scope of the assignment, unless specific arrangements to do so have been made in advance, or as otherwise required by law. In such event, the party seeking my evidence in the proceedings shall bear the cost/professional fee of attending court / judicial proceedings and my tendering evidence before such authority shall be under the applicable laws.

XIV. The opinion of value given in this report is based on information provided in part by the Management of the Companies and other sources as listed in the report. This information is assumed to be accurate and complete.

XV. I have not attempted to confirm whether or not all assets of the companies are free and clear of liens and encumbrances, or that the owner has good title to all the assets.

XVI. I have also assumed that the business will be operated prudently and that there are no unforeseen adverse changes in the economic condition affecting the business, the market or the Industry.

XVII. This Report does not in any manner address the price at which equity share of WARREN TEA shall trade following announcement of the Proposed Amalgamation and I express no opinion or recommendation as to how the shareholders of Companies should vote at any shareholders' meeting(s) to be held in connection with the Proposed Amalgamation. My report and opinion / valuation analysis contained herein is not to be construed as advice relating to investing in, purchasing, selling or otherwise dealing in securities.

XVIII. This Report does not look into the business / commercial reasons behind the Proposed Amalgamation nor the likely benefits arising out of it. Similarly, it does not address the relative merits of the Proposed Amalgamation as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available. This report is restricted to recommendation of fair equity share exchange ratio for the Proposed Amalgamation only.

XIX. I am independent of the company and have no direct interest in the Company or its assets. The fee paid for my services in no way influenced the results of my analysis.

XX. I do not provide assurance on the achievability of the results forecasted by the management/owners as events and circumstances do not occur as expected; difference between actual and expected results may be material. I express no opinion as to how closely the actual results will correspond to those projected/forecasted as the achievement of the forecast results is dependent on actions, plans and assumption of the Management.

XXI. Neither the Report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, other than in connection with the purpose of determining the fair equity share exchange ratio for the Proposed Amalgamation and relevant filings with regulatory authorities in this regard, without my prior written consent.

XXII. This report is subject to Indian Laws only.

12. DISTRIBUTION OF REPORT

The Analysis is confidential and has been prepared exclusively for the Companies and for submission to relevant authorities. It should not be used, reproduced or circulated to any other person or for any purpose other than as mentioned above, in whole or in part, without the prior written consent of me. Such consent will only be given after full consideration of the circumstances at the time.

13. CONCLUSION

Based on the foregoing and on a consideration of all the relevant factors and circumstances as discussed and outlined herein above and subject to scope, limitations and caveats mentioned above, I recommend following Fair Equity Share Exchange Ratio for the proposed amalgamation, based on Relative Value as detailed out in Annexures.

Fair Equity Share Exchange Ratio - Amalgamation of WARREN TEA with MAPLE
1 [One] Equity Shares of ₹ 10/- each fully paid up of MAPLE for every 1 [One] Equity Shares of ₹ 10/- each fully paid up of WARREN TEA.

ANNEXURE

Recommendation of Fair Equity Share Exchange Ratio for the Equity Shares for the Proposed Amalgamation of WARREN TEA with MAPLE:

VALUATION METHOD	MAPLE		WARREN TEA	
	Value per Equity Share (INR)	Weight	Value per Equity Share (INR)	Weight
Asset Approach	109.67	-	87.48	0.5
Income Approach - DCF	90.49	0.50	-	-
Market Approach - Market Price - Comparable Companies Method	- 50.97	- 0.50	53.14 -	0.5 -
Relative Value per Share for the purpose of exchange	70.73		70.31	
Fair Equity Share Exchange Ratio (Rounded Off)	1:1			

Note-

1) *Market Approach- Market Price is not considered for MAPLE as its Equity Shares are not listed. CCM Method is not considered for WARREN TEA as I cannot find any Comparable Company of the same or comparable size and nature.*
2) *Income Approach- is not considered for the Transferor Company as the Transferor Company does not have a steady source of income and it primarily derives value from the investment it holds in equity shares and mutual funds. Hence, it is not in a position to provide me with the accurate long-term future projections.*
3) *Asset Approach- I have used Net Asset Value method to value the Companies. However, in the given case, MAPLE operates as a going concern with no intention to dispose of the assets. In such a going concern scenario, the relative earning power, as reflected under Income and Market Approach are of greater importance for arriving at the value as compared to the value arrived in the Net Asset Value Method. Accordingly, I have not given weight to the Net Asset Value method for valuing the Equity Shares of MAPLE.*

Sub: **Recommendation of Fair Equity Share Exchange Ratio for the Proposed Scheme of Amalgamation of Warren Tea Limited ("WARREN TEA" or "Transferor Company") with Maple Hotels & Resorts Limited ("MAPLE" or "Transferee Company")**

Dear Sir/Madam,

Ref: List of Comparable Companies considered for Comparable Companies' Multiple Method, if the same method is used in valuation

I refer to the Engagement Letter dated 18th June, 2025 whereby, I, Vidhi Chandak (herein after referred to as the **"Valuer"**) had been appointed by Maple Hotels & Resorts Limited and Warren Tea Limited for recommendation of Fair Equity Share Exchange Ratio for the Proposed Scheme of Amalgamation of Warren Tea Limited ("WARREN TEA" or "Transferor Company") with Maple Hotels & Resorts Limited ("MAPLE" or "Transferee Company").

Accordingly, I submitted the report dated 30th June, 2025 for the recommendation of the Fair Equity Share Exchange Ratio for the Proposed Scheme.

With respect to the requirement of mentioning list of comparable companies considered for comparable companies' multiple method, I hereby submit that for the purpose of determining the valuation of Maple Hotels & Resorts Limited, we employed the Comparable Company Multiple Method (CCM). This involved identifying and analyzing relevant publicly-traded companies to determine appropriate valuation multiples (please refer para 8 of the Valuation Report or the Fair Equity Share Exchange Ratio report dated 30th June, 2025) and hence submit the list of comparable companies used for MAPLE:

RATIONALE OF THE SCHEME

The amalgamation of WTL ("**the Transferor Company**") with MHRL ("**the Transferee Company**") will enhance the potential for business and yield beneficial results for the Company, their respective shareholders, creditors and employees:

1. The Transferor Company and the Transferee Company belongs to the same Promoter Group.
2. There exists an associate relationship between WTL and MHRL.

VC Corporate Advisors Private Limited Kolkata

3. The Scheme would unlock value of Hotel Business for existing shareholders of the Transferee Company through independent market driven valuation of their shares, which will be listed pursuant to the Scheme, along with the option and flexibility to remain invested in a pure play hospitality focused listed entity. In addition, the shareholders of the Transferor Company shall gain exposure to the hospitality sector by virtue of the Transferee Company's ownership and registration of the Trade Mark "**Vesta Hotels & Resorts**". The registration of the trademark empowers the shareholders of the Transferor Company with enhanced strategic influence in the brands future direction and serves as a valuable asset, conferring significant brand – related advantages to the shareholders of the Transferor Company.
4. The amalgamation of these Companies will lead to better administrative control and will be convenient for the Company to operate as a combined entity.
5. The funds of the Transferor Company will be more effectively invested and utilized in advancing the business objectives of the Transferee Company in the Hospitality Sector, under unified management and a consolidated operational framework.
6. The amalgamation will provide an opportunity to leverage combined assets and build a stronger sustainable business.
7. The amalgamation will result in prevention of cost duplication and the resultant operations would be substantially cost – efficient. Consequently, the Transferee Company will offer a strong financial structure and facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase the operational efficiency and integrate business functions.
8. The merger of the Applicant Companies will help in creation of a platform for expansion of future business activities, and act as a gateway for growth and expanding business operations.
9. This Scheme of Amalgamation does not operate to the detriment of any stakeholder.

In these circumstances, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.

SHARE EXCHANGE RATIO FOR PROPOSED SCHEME OF AMALGAMATION

The Board of the Transferor Company has appointed CA Vidhi Chandak (IBBI No: IBBI/RV/06/2019/11186) as Registered Valuer vide mandate letter 18.06.2025 to determine and recommend the Share Exchange Ratio for the Proposed Transaction, on a going concern basis with 29th June, 2025 as the Valuation Date.

In this connection and pursuant to the requirements of SEBI Circular SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023; we have been requested by the Board of Directors of the Transferor Company to render an opinion on whether the Share Exchange Ratio determined and recommended by the Registered Valuers vide their report dated 30.06.2025, is fair. Pursuant to Proposed Amalgamation, MHRL shall issue its equity shares of face value of INR 10/- each to the equity shareholders of WTL holding equity shares of MHRL of Face value of INR 10/- each.

The fair exchange ratio has been arrived by the Registered Valuer on the basis of a relative equity valuation of the Companies based on the various approaches / methods and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of the Companies, having regard to information base, key underlying assumptions and limitations determined therein. The Registered Valuer has recommended the following Share Exchange Ratio:

"1[One] Equity Shares of ₹ 10/- each fully paid up of MAPLE for every 1 [One] Equity Shares of ₹ 10/- each fully paid up of WARREN TEA."

It is also hereby clarified that the Transferee Company will not issue any fractional shares and no shares shall be issued by the Transferee Company in respect of the shares held by the Transferor Company in the Transferee Company.

Business strengths and strategies	**Business Strengths:** • Established regional hospitality platform: The Company has over 26 years of experience in the hospitality sector and has built a recognized presence in Rajasthan across key leisure and business destinations, supported by its brands "Vesta Hotels & Resorts" and "VINN by Vesta". • Diversified revenue model: In addition to room revenues, the Company derives a significant portion of its income from food and beverage operations, banqueting, and event-led demand, including weddings and conferences.

	• Scalable operating model: The Company follows a hybrid model comprising owned, leased, and managed properties, enabling expansion with efficient capital deployment. • Strong presence in event-led hospitality: The Company has developed capabilities in hosting weddings, social events, and conferences, which contribute to higher occupancy and ancillary revenues. • Multi-channel demand generation: The Company leverages a mix of online travel platforms, corporate tie-ups, travel agents, and direct bookings to drive occupancy across its properties. **Strategies:** • Expand through asset-light growth: The Company intends to increase its portfolio through management contracts and lease arrangements, enabling faster scale-up with lower capital investment. • Strengthen presence in existing markets: The Company aims to deepen its footprint in Rajasthan by enhancing capacity, improving occupancy, and increasing average room rates across existing properties. • Enhance food and beverage and event-led revenues: The Company intends to further develop its banqueting and food and beverage offerings to drive higher per-property revenues. • Focus on brand-led growth: The Company will continue to build and differentiate its brands "Vesta Hotels & Resorts" and "VINN by Vesta" to cater to varied customer segments. • Operational efficiency and standardization: The Company seeks to improve margins through standardized processes, cost control, and centralized oversight of operations.

2. SUMMARY OF THE INDUSTRY

The Indian hospitality industry is a key factor of the country's services sector, driven by the growth in domestic tourism, business travel, and rising disposable incomes. The sector comprises a mix of organized branded hotels and unorganized standalone establishments, with increasing formalization over recent years. Within this, the hotel and resort segment has witnessed steady expansion, supported by improving infrastructure, enhanced connectivity, and growth in both leisure and corporate travel.

Domestic tourism continues to be the primary demand driver for the industry, with a significant increase in inter-state and inter-city travel, short-duration leisure trips, and destination-based experiences. In addition, business travel and corporate demand contribute to occupancy across key commercial centres, while social events such as weddings, conferences, and group bookings represent an important and high-value segment for many hotel operators. The growing trend of destination weddings and experiential travel has further strengthened demand for hotels offering integrated accommodation, banqueting, and food and beverage services. The hospitality sector in India is also undergoing a gradual shift towards branded and organized players, as consumers increasingly prefer standardized quality, reliable service, and better amenities. The rise of online travel platforms have improved transparency in pricing, accessibility, and customer reviews, enabling hotels to reach a wider customer base while also intensifying competition.

In terms of supply, while metro cities continue to account for a large share of branded hotel inventory, there has been increasing growth in Tier II and Tier III cities and leisure destinations. States such as Rajasthan, with strong tourism appeal and established circuits, continue to benefit from both domestic and international travel demand. However, the industry remains sensitive to factors such as economic cycles, geopolitical developments, regulatory changes, and external disruptions, which may impact travel patterns and occupancy levels.

Technology is playing an increasingly important role in shaping the hospitality landscape. Hotels are adopting digital tools for reservations, revenue management, customer engagement, and operational efficiency. Online reputation management, dynamic pricing, and data-driven decision-making have become critical for sustaining competitiveness and improving profitability.

Despite positive long-term fundamentals, the hotel industry is inherently cyclical and capital-intensive. Performance is influenced by occupancy levels, average room rates, cost structures, and demand variability across seasons and locations. Additionally, competition from both organized hotel chains and alternative accommodation platforms continues to evolve.

Overall, the Indian hospitality industry presents growth opportunities supported by favourable demographics, rising travel demand, and increasing formalization, while requiring operators to maintain operational efficiency, service quality, and adaptability to changing market conditions.

4. OBJECTS ~~OF THE ISSUE~~ PURSUANT TO THE SCHEME

The amalgamation of WTL ("**the Transferor Company**") with MHRL ("**the Transferee Company**") will enhance the potential for business and yield beneficial results for the Company, their respective shareholders, creditors and employees:

a. The Transferor Company and the Transferee Company belong to the same Promoter Group.
b. There exists an associate relationship between the Transferor Company and the Transferee Company.
c. The Scheme would unlock value of Hotel Business for existing shareholders of the Transferee Company through independent market driven valuation of their shares, which will be listed pursuant to the Scheme, along with the option and flexibility to remain invested in a pure play hospitality focused listed entity. In addition, the shareholders of the Transferor Company shall gain exposure to the hospitality sector by virtue of the Transferee Company's ownership and registration of the Trade Mark "**Vesta Hotels & Resorts**". The registration of the trademark empowers the shareholders of the Transferor Company with enhanced strategic influence in the brands future direction and serves as a valuable asset, conferring significant brand – related advantages to the shareholders of the Transferor Company.
d. The amalgamation of these Companies will lead to better administrative control and will be convenient for the Company to operate as a combined entity.
e. The funds of the Transferor Company will be more effectively invested and utilized in advancing the business objectives of the Transferee Company in the Hospitality Sector, under unified management and a consolidated operational framework.
f. The amalgamation will provide an opportunity to leverage combined assets and build a stronger sustainable business.
g. The amalgamation will result in prevention of cost duplication and the resultant operations would be substantially cost – efficient. Consequently, the Transferee Company will offer a strong financial structure and facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase the operational efficiency and integrate business functions.
h. The merger of the Applicant Companies will help in creation of a platform for expansion of future business activities, and act as a gateway for growth and expanding business operations.
i. This Scheme of Amalgamation does not operate to the detriment of any stakeholder.

In these circumstances, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.

8. RISK FACTORS

The top 10 internal Risk Factors of Maple Hotels & Resorts Limited are as follows:

i. The Scheme of Amalgamation is subject to the conditions/ approvals as envisaged under the Scheme and any failure to receive such approvals will result in non-implementation of the Scheme and may adversely affect the shareholders.

ii. MHRL is presently an unlisted Company, and its securities are presently not available for trading on any stock exchange.

iii. The new equity shares issued by MHRL pursuant to the Scheme shall remain frozen in the depository system until listing/ trading permission is given by the Stock Exchange for trading of the equity shares of MHRL.

iv. Changing laws, rules and regulations and legal uncertainties, including the withdrawal of certain benefits or adverse application of tax laws, may adversely affect our business, prospects and results of operations.

v. Our hotels, primarily dependent on domestic tourists, face a risk in case there is an economic recession, political instability, spurt in terrorism or any socio-political fallout within Union of India.

vi. Market Risk: Market is the risk of loss from changes in the market prices and rates including interest rates, equity prices, foreign exchange rates, property rates, etc.

vii. Liquidity Risk: It is important for the Company that liquid resources are available for growth of the Company. Liquidity Management is thus very important for the Company. The Company needs to manage the liquidity risk by ensuring sufficient liquidity needed for a smooth functioning as well as growth.

viii. Operation Risk: Operation is the risk of loss due to inadequate or failed internal processes, people and systems or from external events. We have a dedicated operation function to have robust process guidelines to control through system platforms and monitored through dashboards.

ix. Catastrophic events such as further phases of COVID-19, could materially have an adverse effect on the financial condition of the Company. Economic slow-down, recession, down-grade in credit ratings, other health pandemics, natural calamities would adversely affect the business of the Company.

x. Risk of wage inflation: The Hotel Industry needs quality employees and with demand for the same improving across the industry, the Company feels that wage inflation would be a critical factor in determining costs for the Company

Independent Auditor's Limited Review Report of Interim Financial Results

To The Board of Directors of Warren Tea Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Warren Tea Limited ("the company"), for the quarter ended 31st December 2025 ("the statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. The Statement, which is the responsibility of the company's Management and approved by the company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A Review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') and other accounting principles generally accepted in India, and has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to the **Note 2** of the accompanying standalone financial results which describe the matter regarding management's assessment on new labour code, there is no material financial impact on the financial results as at the reporting date. The assessment of any other impact, including on employee benefit expenses, arising from the New Labour Codes will be undertaken and appropriately accounted for upon notification of the relevant Rules by the appropriate authorities. Our conclusion is not modified in respect of this matter.

6. We draw your attention to **Note No. 3** of the statement regarding the non-ascertainment of income tax liability (current and deferred) as per Indian Accounting Standard 12 on "Income Taxes" for the quarter ended 31st December 2025 (the "Statement") which is determined by the company at the end of the year for the reasons stated in the said note. Our conclusion on the statements is not modified in respect of this matter.

Notes :

1. The Board of Directors of the Company, in its meeting held on 30th June, 2025, have evaluated the prospects of an amalgamation, scheme of arrangement or restructuring of the Company with Maple Hotels and Resorts Limited, an unlisted Public Limited Company and is also an Associate of the Company. The Board has then considered and approved the Draft scheme of arrangement / amalgamation of the Company. The Scheme is placed before the relevant authorities and is subject to receipt of statutory and regulatory approvals.

2. The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour Codes viz, Code of Wages 2019, Code in Social Security 2020, Industrial Relation Code 2020 and Occupational Safety, Health and Working conditions code 2020 (collectively referred to as the new Labour Codes), these Codes have been made effective from November 21, 2025. The corresponding all supporting Rules under these codes are yet to be notified. Based the management assessment there is no material financial implication due to these changes. The assessment of other impact, if any on employee benefit expenses arising from the New Labour Code will be under taken and accounted for upon notification of the relevant rules by the appropriate authorities.

3. As the ultimate Income-tax liability will depend on results for the year ending 31st March, 2026 the position with regard to provisions for current tax and deferred tax will be determined at the end of the year.

4. Previous periods' figures have been regrouped and rearranged wherever necessary.

5. The Statutory Auditors have conducted "Limited Review" for the quarter and nine months ended on 31st December, 2025 in terms of requirements of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

6. Upon appropriate recommendations by the Audit Committee of the Directors, the above Financial Results have been approved by the Board of Directors of the Company at its meeting held on 10th February, 2026.

Independent Auditor's Review Report on the Quarterly Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listed Obligations and Disclosure Requirements) Regulations ,2015, as amended

To The Board of Directors of Warren Tea Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Warren Tea Limited ("the company') and its share of net profit after tax and total comprehensive income of its associate for the quarter ended 31st December 2025 (the statement) attached herewith being submitted by the company pursuant to the requirement of Regulations 33 of the SEBI (Listed Obligations and Disclosure Requirements) Regulations, 2015 as amended ("The Listing Regulations").

2. The Statement, which is the responsibility of the company's Management and approved by the company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A Review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated 29 March, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of Maple Hotels & Resorts Limited, an associate of the Company.

5. Based on our review conducted and procedures performed as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as

amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to the Note 2 of the accompanying consolidated financial results which describe the matter regarding management's assessment on new labour code, there is no material financial impact on the financial results as at the reporting date. The assessment of any other impact, including on employee benefit expenses, arising from the New Labour Codes will be undertaken and appropriately accounted for upon notification of the relevant Rules by the appropriate authorities. Our conclusion is not modified in respect of this matter.

7. We draw your attention to Note No. 3 of the statement regarding the non-ascertainment of income tax liability (current and deferred) as per Indian Accounting Standard 12 on "Income Taxes" for the quarter ended 31 December 2025 (the "Statement") which is determined by the company at the end of the year for the reasons stated in the said note. Our conclusion is not modified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT

To the Members of
WARREN TEA LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **WARREN TEA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow statement and the statement of changes in equity for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013,as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its **profit** including and other Comprehensive Income, its cash flows and the Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the standards on auditing (SAs) as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 25(14) of the financial statements, which states that certain balances of trade receivables, trade payables, loans and advances, and other financial assets/liabilities as at the balance sheet date are subject to confirmation and reconciliation, if any. The management has represented those necessary adjustments, if any, will be made upon receipt/reconciliation of such confirmations.
Our opinion is not modified in respect of this matter.

We draw attention to Note 25(19) of the accompanying financial statements, which describes a related party transaction wherein the Company has paid a security deposit to a related party in respect of office premises. The amount of the security deposit is significant, exceeding 10% of the Company's net worth as at the balance sheet date. As disclosed in the said note, this transaction has been conducted at arm's length and has been duly approved by the Board of Directors.
Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Balance confirmations	
As disclosed in Note 25(14) to the financial statements, several balances including trade receivables, trade payables, loans and advances, and other financial assets/liabilities remain subject to confirmation from respective parties as at the balance sheet date. The final outcome of such confirmations may result in adjustments, if any. This was considered a key audit matter due to the materiality of such balances and the potential risk of misstatement in the absence of direct confirmations from counterparties.	We have had detailed discussions with those charged with governance relating to the write back of these provisions and our audit approach inter alia covered the following issues: • Performed alternative audit procedures including matching transactions, subsequent settlements, and reconciliation with subsidiary records where confirmations were not received. • Evaluate the adequacy of management's disclosures regarding the matter.
Security Deposit	
The company had paid differential security deposit of Rs. 6.30 Lakhs during the year to a related party in respect of office premises taken on lease. The transaction was reviewed during the financial year. The matter was considered significant to our audit due to the regulatory compliance requirements applicable to related party transactions, and the governance implications arising.	We performed the following principal audit procedures in relation to payment of security deposit to the related party of the company: a) Examined the Board meeting minutes and supporting documentation for the proposed transaction in FY 2022–23. b) Verified the payment of the security deposit made during the current year. c) Assessed the disclosures in the financial statements relating to the related party transaction and governance compliance.
Evaluation of uncertain tax positions	
The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.	Our procedure included, amongst others, assessing the appropriateness of management's assumptions and estimates in relation to uncertain tax positions, challenging those assumptions and considering advice received by management from external parties to support their position. We have involved our tax specialists to consider management's assessment of the tax positions and related provision/liability accruals when necessary. We concur with management estimates and the outcome of their procedures to determine the relevant provision/ liability.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including comprehensive income and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we further report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

   c) the Balance Sheet, Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

   d) in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;

   e) on the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

   g) In our opinion the managerial remuneration for the year ended March 31, 2025 has been paid/ provided by the company to its directors is in accordance with the provisions of section 197 read with schedule V of the Act;

   h) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:

   i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements – Refer Note 32 Sub Note 11 to the Ind AS Financial Statements.

   ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise;

   iii. There is no requirement of transferring amounts to the investor's education and protection fund by the company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. Based on our examination, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except in respect of property, plant and equipment records wherein the accounting software did not have the audit trail feature enabled throughout the year.
Further, the audit trail facility has been operated throughout the financial year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Based on the information and explanation given to us the company had changed its accounting system during the year and transitioned from oracle package to Tally and audit trail has been enabled since transition only.

The company has preserved the audit trail as per the statutory requirements for record retention as per proviso to Rule 3(1) of the Companies (Accounts)Rules, 2014 as applicable from April 1, 2023 reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014.

vi. The Company has not declared or paid any dividend during the year ended 31 March 2025.

Annexure A referred to in paragraph 2(f) under heading Report on Other Legal and Regulatory Requirements of our Report of even date to the members of Warren Tea Limited on the financial statements of the Company for the year ended 31st March, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ('the Company') as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to the Financial Statements
Note 25

1. Company Overview

At the Board Meeting of the Company held on 21st November, 2022, the Company decided to exit the Plantation and Manufacturing of Tea Business in Assam and to concentrate on retail consumer marketing of teas as well as to remain active merchant exporters of tea to CIS / Eastern Europe / Gulf Countries. The Company sold all its remaining four Tea Estates during the period under review.
The Company is listed on the Bombay and Calcutta Stock Exchanges.

The Standalone Ind AS Financial Statements were approved and authorised for issue in accordance with the resolution of the company's Board of Directors an on 20th May, 2025.

2. Statement of Compliance with Ind AS

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act).

3. Significant Accounting Policies

3.1 Classification of Current and Non-Current Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2 Historical Cost Conventions

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

i) certain financial assets and liabilities that are measured at fair value;
ii) plan assets relating to defined benefit plans that are measured at fair value;
iii) biological assets (including un-plucked green leaves) – measured at fair value less cost to sell though there is no green leaf at end of the year.

Historical cost is generally based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

3.3 Sales and Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of sales returns and trade discounts.
Revenue from sale of goods is recognized when the Company transfers the control of goods to the customer as per the terms of contract. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any).
Exports entitlements are recognised when the right to receive credit as per the terms of the schemes is established in respect of the exports made by the Company and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.
Rental income is accounted on accrual basis as per the agreements/ arrangements with the concerned parties.
Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income from debt instruments is recognised using the effective interest rate method.
Dividend income is recognised in the statement of profit and loss only when the right to receive payment is established, which is generally when shareholders approve the dividend

3.4 Exceptional Item

Exception items include income or expense that are considered to be part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.5 Foreign Currency

Functional and presentation Currency

The Ind AS financial statements are presented in INR, which is the Company's functional currency. Foreign currency transactions are initially recorded at functional currency spot rates at the date the transaction first qualifies for recognition.

Transaction and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.
Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on the settlement or translation of monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.
Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively)

3.6 Government Grants/ Assistance

Government Grants/ Assistance (Grant) are recognised at their fair value where there is a reasonable assurance that the Grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the Grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognised in profit or loss on a systematic basis over the useful life of the related assets.

3.7 Property, Plant and Equipment

(i) Bearer Plants

Bearer Plants have been recognised on 1st April, 2016 as an item of Property, Plant and Equipment in accordance with previous GAAP , on which depreciation has been provided. Expenses on replanting and young tea maintenance of Bearer Plants are considered as Capital Work-in-Progress. Depreciation on Bearer Plants is charged on estimated useful life of 77 years ascertained upon technical evaluation. Depreciation on Bearer Plants is recognised so as to write off its cost over useful lives, using the straight-line method. In accordance with Ind AS , Bearer Plants are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

(ii) Items Other than Bearer Plants

Freehold land is carried at historical cost. All other items are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the construction or acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets net of its residual value, over their useful lives on a straight line basis. For additions/disposals of items during the course of the year, depreciation/amortisation is recognised on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Compensation receivable for acquisition of Assets of the Company is accounted for upon acceptance of the Company's claim by the appropriate authorities.

Impairment of Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.8 Intangible Assets

Intangible Assets of the Company are recognised when it is an identifiable non-monetory asset without physical substance. An Asset is recognised when it is expected to provide future economic benefits to flow to the Company. These assets are capitalised at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on Intangible Assets is recognised so as to write-off its cost over the useful life.

Capital Work in Progress

Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.9 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:

- those subsequently measured at amortised cost.
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

Subsequent Measurement

- Financial assets measured at amortised cost –

Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired.

- Financial assets measured at fair value through other comprehensive income

- Financial assets that are held within a business model of collection of contractual cash flows and for selling and where the assets' cash flow represents solely payment of principal and interest on the principal amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss.

Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognised, the cumulative gains or losses recognised in OCI is transferred within equity on such derecognition.

- **Financial assets measured at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognised in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognises loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets

Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified, at initial recognition, as subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit or loss.

(iii) Derecognition of financial assets and financial liabilities

Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.10 Employee Benefits

a) Short Term Employee Benefits

These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Other Long term employment benefits

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

c) Post Employment Benefits

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

(i) The Company operates defined Contribution Schemes of Provident Funds and makes regular contributions to Provident Funds which are fully funded and administered by the Trustees and are independent of the Company's finance. Such contributions are recognised in the Accounts on accrual basis. Interest accruing to the Fund administered by the Trustees are credited to respective members' accounts based on the rates stipulated by the Government and shortfall if any, recognized on the basis of actuarial valuation report in this regard , is borne by the Company.

(ii) The Company operates defined benefit Superannuation and Gratuity Schemes administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

(iii) The Company operates Additional Retiral Benefit for certain categories of employees for which obligations are recognised in the Accounts based on actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

3.11 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials in the form of harvested tea leaves, produced from own gardens are measured at fair value for the purpose of valuation of made tea.

Stores & Spare parts, Finished Goods stated at the lower of cost and estimated net realisable value. Provision is made for obsolete and slow Cost moving inventories whenever necessary in the Accounts. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to their present location and condition and includes appropriate overheads (in case of Finished Goods). Cost is determined on weighted average basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold are at or above cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale although there is no inventory during the year.

3.12 Biological Assets

The Company recognises biological assets when, and only when, the Company controls the assets as a result of past events. It is probable that future economic benefits associated with such assets will flow to the Company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets are measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less costs to sell of biological assets are included in statement of profit and loss for the period in which it arises.

3.13 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

3.14 Trade Receivables

Trade receivables are recognised at Fair Value less provision for impairment if any.

3.15 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there is a possible obligation which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

3.16 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they incur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Cash and Cash Equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any

3.17 Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively.

3.18 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4. Financial Instruments and Related Disclosures

Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements for meeting operational requirement as well as for comprehensive growth of the Company.

5. Financial risk management objectives

The Company's faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

a) Market risk

The Company's business, primarily agricultural in nature, future cash flows will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

b) Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange. A significant portion of these transactions are in US Dollar and Euro.

c) Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

d) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks.

e) Interest rate sensitivity

Since the borrowings are all short / medium term in nature, the volatility in the interest rate is minimal.

f) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

g) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.

6. Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data . If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on March 31, 2025 and March 31, 2024.

There has been no change in the valuation methodology for Level 3 inputs during the year. There were no transfers between Level 1 and Level 2 during the year.

7 The Company further, having exited tea plantation business, looked forward to preparing itself to venture into merchant exporting of teas to Gulf / West Asia / CIS countries. But due to border skirmish aggravating to war in between Ukraine and Russia and consequent fallout in and around the region, the company's merchant exporting plans are put on hold. Besides, the company has also been trying to venture into retail selling of teas and therefore looking into logistics, guidelines that entailed most of the year under review. The Company meanwhile could barely earn revenue from interest on its inter corporate deposits, term deposits with banks and from investments in mutual funds.

8 i) At the Meeting held on 28th July, 2023, the Board recommended shifting of Registered Office of the Company from Tinsukia in Assam to Kolkata in West Bengal. The Company has got approval from its shareholders at the Annual General Meeting held on 12th September, 2023. Order dated 19th February, 2024 has been issued by the Office of the Regional Director (NER) in the matter u/s 13(4) of the Companies Act, 2013 for proceeding on this matter. The Registered Office of the company is now at Kolkata under Order dated 18th June, 2024 of the Registrar Of Companies, Kolkata.

ii) The Company has filed an application with The Calcutta Stock Exchange for voluntary delisting of its equity shares. The process of delisting is currently ongoing and subject to necessary approval and compliance with applicable laws and regulations including SEBI (Delising of Equity Shares) Regulations, 2021.

9 It has been decided by the Company that Retirement Scheme in operation as signed between the Management of Warren Tea Limited and the erstwhile General Secretary, ACKS, Central Office at Dibrugarh needs to be discontinued due to the several impediments faced by the Company in its business operation and the ensuing wreckage caused to the financial health of the Company in the past few years due to various uncontrollable and enforceable events transpired in the tea market and tea industry.

Notice by the Company in this regard was given vide Section 9-A of the I.D. Act to all concerned in the month of February, 2022. The matter is subjudice. The Company to act as per the Laws of the Land.

10 The management observed in its board meeting held on 28th March 2024 that since the last four financial years post COVID, owing to difficulty from increasing cost of production / incessant rains from climate change / pest attacks / fall outs from pandemic and significant changes in the market scenario all of which had remained largely uncontrollable and thus had significant impact on company's profitability, the Company to combat such adverse situations had to dispose of all its remaining tea estates to consolidate and strengthen its financial performance and as a concrete step towards improvement of its overall performance. Various cost reduction steps have already been taken considering the current situation. The executive staff including the substaff are encouraged / allowed to avail of the leave as permissible and the practice of leave encashment shall be withdrawn in line with the resolution of the board of directors at its meeting held on 13th August 2020. The matter has been discussed threadbare by the board of directors at its meeting held on 28th March 2024 and hence it has been resolved that the Board at its sole discretion shall forfeit leave encashment for all employees of the Company at any level, whose name appear on the payroll of the Company as at 1st January 2019, including the Executive Chairman, all management staff either at Kolkata corporate office and or at the tea estates, be it staff, substaff, daily rated workers, peons. Leave encashment is hence withdrawn and hence employees are encouraged to avail leave as is permissible from accumulated leave balance and fresh accruals.

In the same meeting the Company has held that the Additional Retiral Benefit for executives of the Company both at Kolkata and its tea estates would be withdrawn whose name appear on the payroll of the Company as at 1st January, 2019. The provision for additional retiral benefit liability has since been withdrawn this year in the books of accounts.

INDEPENDENT AUDITOR'S REPORT

To the Members of
WARREN TEA LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **WARREN TEA LIMITED** ("the Company"), and its associate company which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow statement and the statement of changes in equity for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013,as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company and its associate company as at 31st March 2025, its **profit** including and other Comprehensive Income, its cash flows and the Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the standards on auditing (SAs) as specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 25(14) of the consolidated financial statements, which states that certain balances of trade receivables, trade payables, loans and advances, and other financial assets/liabilities as at the balance sheet date are subject to confirmation and reconciliation, if any. The management has represented those necessary adjustments, if any, will be made upon receipt/reconciliation of such confirmations.
Our opinion is not modified in respect of this matter.

We draw attention to Note 25(19) of the accompanying consolidated financial statements, which describes a related party transaction wherein the Company has paid a security deposit to a related party in respect of office premises. The amount of the security deposit is significant, exceeding 10% of the Company's net worth as at the balance sheet date. As disclosed in the said note, this transaction has been conducted at arm's length and has been duly approved by the Board of Directors.
Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and informing our opinion

thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Balance confirmations	
As disclosed in Note 25(14) to the consolidated financial statements, several balances including trade receivables, trade payables, loans and advances, and other financial assets/liabilities remain subject to confirmation from respective parties as at the balance sheet date. The final outcome of such confirmations may result in adjustments, if any. This was considered a key audit matter due to the materiality of such balances and the potential risk of misstatement in the absence of direct confirmations from counterparties.	We have had detailed discussions with those charged with governance relating to the write back of these provisions and our audit approach inter alia covered the following issues: • Performed alternative audit procedures including matching transactions, subsequent settlements, and reconciliation with subsidiary records where confirmations were not received. • Evaluate the adequacy of management's disclosures regarding the matter.
Security Deposit	
The company had paid differential security deposit of Rs. 6.30 Lakhs during the year to a related party in respect of office premises taken on lease. The transaction was reviewed during the financial year. The matter was considered significant to our audit due to the regulatory compliance requirements applicable to related party transactions, and the governance implications arising.	We performed the following principal audit procedures in relation to payment of security deposit to the related party of the company: a) Examined the Board meeting minutes and supporting documentation for the proposed transaction in FY 2022–23. b) Verified the payment of the security deposit made during the current year. c) Assessed the disclosures in the consolidated financial statements relating to the related party transaction and governance compliance.
Evaluation of uncertain tax positions	
The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.	Our procedure included, amongst others, assessing the appropriateness of management's assumptions and estimates in relation to uncertain tax positions, challenging those assumptions and considering advice received by management from external parties to support their position. We have involved our tax specialists to consider management's assessment of the tax positions and related provision/liability accruals when necessary. We concur with management estimates and the outcome of their procedures to determine the relevant provision/ liability.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's

Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Company's Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including comprehensive income and cash flows and changes in equity of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND - AS) specified under Section 133 of the Act, read with companies (Indian Accounting Standards) rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the company and its associate are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of directors of the company and its associates are also responsible for overseeing the financial reporting process of the company and its associates.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are

also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of the company or business activities included in the Consolidated Financial Statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of its Associate company, whose financial statements reflect net profit of Rs. 242.39 Lakhs (including other comprehensive income) for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, is based solely on those reports. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we further report that:

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

c) the Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

d) in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;

e) on the basis of written representations received from the directors of the company and its associate as on March 31, 2025, and taken on record by the Board of Directors, none of the directors of the company and its associate is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

g) In our opinion the managerial remuneration for the year ended March 31, 2025 has been paid/ provided by the company to its directors is in accordance with the provisions of section 197 read with schedule V of the Act;

h) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:

i. The Company & its associates has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements – Refer Note 32 Sub note 12 to the Ind AS Financial Statements.

ii. The Company & its associate did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise;

iii. There is no requirement of transferring amounts to the investor's education and protection fund by the company & its associates.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding,

whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. Based on our examination, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except in respect of property, plant and equipment records wherein the accounting software did not have the audit trail feature enabled throughout the year.
Further, the audit trail facility has been operated throughout the financial year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Based on the information and explanation given to us the company had changed its accounting system during the year and transitioned from oracle package to Tally and audit trail has been enabled since transition only.

The company has preserved the audit trail as per the statutory requirements for record retention as per proviso to Rule 3(1) of the Companies (Accounts)Rules, 2014 as applicable from April 1, 2023 reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014.

vi. The Company & its associates has not declared or paid any dividend during the year ended 31 March 2025.

Annexure A referred to in paragraph 2(f) under heading Report on Other Legal and Regulatory Requirements of our Report of even date to the members of Warren Tea Limited on the financial statements of the Company for the year ended 31st March, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Warren Tea Limited and its associate company as of 31st March, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the company and its associate company are responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its associate company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements
Note 25

1. Company Overview

At the Board Meeting of the Company held on 21st November, 2022, the Company decided to exit the Plantation and Manufacturing of Tea Business in Assam and to concentrate on retail consumer marketing of teas as well as to remain active merchant exporters of tea to CIS / Eastern Europe / Gulf Countries. The Company sold all its remaining four Tea Estates during the period under review.
The Company is listed on the Bombay and Calcutta Stock Exchanges.

The Standalone Ind AS Financial Statements were approved and authorised for issue in accordance with the resolution of the company's Board of Directors an on 20th May, 2025.

2. Statement of Compliance with Ind AS

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act).

3. Significant Accounting Policies

3.1 Classification of Current and Non-Current Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2 Historical Cost Conventions

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

i) certain financial assets and liabilities that are measured at fair value;
ii) plan assets relating to defined benefit plans that are measured at fair value;
iii) biological assets (including un-plucked green leaves) – measured at fair value less cost to sell though there is no green leaf at end of the year.

Historical cost is generally based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

3.3 Sales and Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of sales returns and trade discounts.
Revenue from sale of goods is recognized when the Company transfers the control of goods to the customer as per the terms of contract. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any).
Exports entitlements are recognised when the right to receive credit as per the terms of the schemes is established in respect of the exports made by the Company and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.
Rental income is accounted on accrual basis as per the agreements/ arrangements with the concerned parties.
Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income from debt instruments is recognised using the effective interest rate method.
Dividend income is recognised in the statement of profit and loss only when the right to receive payment is established, which is generally when shareholders approve the dividend

3.4 Exceptional Item

Exception items include income or expense that are considered to be part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.5 Foreign Currency

Functional and presentation Currency

The Ind AS financial statements are presented in INR, which is the Company's functional currency. Foreign currency transactions are initially recorded at functional currency spot rates at the date the transaction first qualifies for recognition.

Transaction and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.
Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on the settlement or translation of monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.
Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively)

3.6 Government Grants/ Assistance

Government Grants/ Assistance (Grant) are recognised at their fair value where there is a reasonable assurance that the Grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the Grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognised in profit or loss on a systematic basis over the useful life of the related assets.

3.7 Property, Plant and Equipment

(i) Bearer Plants

Bearer Plants have been recognised on 1st April, 2016 as an item of Property, Plant and Equipment in accordance with previous GAAP , on which depreciation has been provided. Expenses on replanting and young tea maintenance of Bearer Plants are considered as Capital Work-in-Progress. Depreciation on Bearer Plants is charged on estimated useful life of 77 years ascertained upon technical evaluation. Depreciation on Bearer Plants is recognised so as to write off its cost over useful lives, using the straight-line method. In accordance with Ind AS , Bearer Plants are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

(ii) Items Other than Bearer Plants

Freehold land is carried at historical cost. All other items are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the construction or acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets net of its residual value, over their useful lives on a straight line basis. For additions/disposals of items during the course of the year, depreciation/amortisation is recognised on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Compensation receivable for acquisition of Assets of the Company is accounted for upon acceptance of the Company's claim by the appropriate authorities.

Impairment of Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.8 Intangible Assets

Intangible Assets of the Company are recognised when it is an identifiable non-monetory asset without physical substance. An Asset is recognised when it is expected to provide future economic benefits to flow to the Company. These assets are capitalised at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on Intangible Assets is recognised so as to write-off its cost over the useful life.

Capital Work in Progress

Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.9 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:

- those subsequently measured at amortised cost.
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

Subsequent Measurement

- Financial assets measured at amortised cost –

Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired.

- Financial assets measured at fair value through other comprehensive income

- Financial assets that are held within a business model of collection of contractual cash flows and for selling and where the assets' cash flow represents solely payment of principal and interest on the principal amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss.

Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognised, the cumulative gains or losses recognised in OCI is transferred within equity on such derecognition.

- **Financial assets measured at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognised in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognises loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets

Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified, at initial recognition, as subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit or loss.

(iii) Derecognition of financial assets and financial liabilities

Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.10 Employee Benefits

a) Short Term Employee Benefits

These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Other Long term employment benefits

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

c) Post Employment Benefits

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

(i) The Company operates defined Contribution Schemes of Provident Funds and makes regular contributions to Provident Funds which are fully funded and administered by the Trustees and are independent of the Company's finance. Such contributions are recognised in the Accounts on accrual basis. Interest accruing to the Fund administered by the Trustees are credited to respective members' accounts based on the rates stipulated by the Government and shortfall if any, recognized on the basis of actuarial valuation report in this regard , is borne by the Company.

(ii) The Company operates defined benefit Superannuation and Gratuity Schemes administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

(iii) The Company operates Additional Retiral Benefit for certain categories of employees for which obligations are recognised in the Accounts based on actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

3.11 Inventories

Inventories are valued at the lower of cost and net realisable value.
Costs incurred in bringing each product to its present location and condition are accounted for as follows:
Raw materials in the form of harvested tea leaves, produced from own gardens are measured at fair value for the purpose of valuation of made tea.
Stores & Spare parts, Finished Goods stated at the lower of cost and estimated net realisable value. Provision is made for obsolete and slow Cost moving inventories whenever necessary in the Accounts. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to their present location and condition and includes appropriate overheads (in case of Finished Goods). Cost is determined on weighted average basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold are at or above cost.
Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale although there is no inventory during the year.

3.12 Biological Assets

The Company recognises biological assets when, and only when, the Company controls the assets as a result of past events. It is probable that future economic benefits associated with such assets will flow to the Company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets are measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less costs to sell of biological assets are included in statement of profit and loss for the period in which it arises.

3.13 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

3.14 Trade Receivables

Trade receivables are recognised at Fair Value less provision for impairment if any.

3.15 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there is a possible obligation which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

3.16 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they incur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Cash and Cash Equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any

3.17 Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively.

3.18 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4. Financial Instruments and Related Disclosures

Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements for meeting operational requirement as well as for comprehensive growth of the Company.

5. Financial risk management objectives

The Company's faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

a) Market risk

The Company's business, primarily agricultural in nature, future cash flows will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

b) Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange. A significant portion of these transactions are in US Dollar and Euro.

c) Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

d) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks.

e) Interest rate sensitivity

Since the borrowings are all short / medium term in nature, the volatility in the interest rate is minimal.

f) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

g) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.

6. Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data . If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on March 31, 2025 and March 31, 2024.

There has been no change in the valuation methodology for Level 3 inputs during the year. There were no transfers between Level 1 and Level 2 during the year.

7 The Company further, having exited tea plantation business, looked forward to preparing itself to venture into merchant exporting of teas to Gulf / West Asia / CIS countries. But due to border skirmish aggravating to war in between Ukraine and Russia and consequent fallout in and around the region, the company's merchant exporting plans are put on hold. Besides, the company has also been trying to venture into retail selling of teas and therefore looking into logistics, guidelines that entailed most of the year under review. The Company meanwhile could barely earn revenue from interest on its inter corporate deposits, term deposits with banks and from investments in mutual funds.

8 i) At the Meeting held on 28th July, 2023, the Board recommended shifting of Registered Office of the Company from Tinsukia in Assam to Kolkata in West Bengal. The Company has got approval from its shareholders at the Annual General Meeting held on 12th September, 2023. Order dated 19th February, 2024 has been issued by the Office of the Regional Director (NER) in the matter u/s 13(4) of the Companies Act, 2013 for proceeding on this matter. The Registered Office of the company is now at Kolkata under Order dated 18th June, 2024 of the Registrar Of Companies, Kolkata.

ii) The Company has filed an application with The Calcutta Stock Exchange for voluntary delisting of its equity shares. The process of delisting is currently ongoing and subject to necessary approval and compliance with applicable laws and regulations including SEBI (Delising of Equity Shares) Regulations, 2021.

9 It has been decided by the Company that Retirement Scheme in operation as signed between the Management of Warren Tea Limited and the erstwhile General Secretary, ACKS, Central Office at Dibrugarh needs to be discontinued due to the several impediments faced by the Company in its business operation and the ensuing wreckage caused to the financial health of the Company in the past few years due to various uncontrollable and enforceable events transpired in the tea market and tea industry.

Notice by the Company in this regard was given vide Section 9-A of the I.D. Act to all concerned in the month of February, 2022. The matter is subjudice. The Company to act as per the Laws of the Land.

10 The management observed in its board meeting held on 28th March 2024 that since the last four financial years post COVID, owing to difficulty from increasing cost of production / incessant rains from climate change / pest attacks / fall outs from pandemic and significant changes in the market scenario all of which had remained largely uncontrollable and thus had significant impact on company's profitability, the Company to combat such adverse situations had to dispose of all its remaining tea estates to consolidate and strengthen its financial performance and as a concrete step towards improvement of its overall performance. Various cost reduction steps have already been taken considering the current situation. The executive staff including the substaff are encouraged / allowed to avail of the leave as permissible and the practice of leave encashment shall be withdrawn in line with the resolution of the board of directors at its meeting held on 13th August 2020. The matter has been discussed threadbare by the board of directors at its meeting held on 28th March 2024 and hence it has been resolved that the Board at its sole discretion shall forfeit leave encashment for all employees of the Company at any level, whose name appear on the payroll of the Company as at 1st January 2019, including the Executive Chairman, all management staff either at Kolkata corporate office and or at the tea estates, be it staff, substaff, daily rated workers, peons. Leave encashment is hence withdrawn and hence employees are encouraged to avail leave as is permissible from accumulated leave balance and fresh accruals.

In the same meeting the Company has held that the Additional Retiral Benefit for executives of the Company both at Kolkata and its tea estates would be withdrawn whose name appear on the payroll of the Company as at 1st January, 2019. The provision for additional retiral benefit liability has since been withdrawn this year in the books of accounts.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

MAPLE HOTELS AND RESORTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Maple Hotels and Resorts Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"), in which are incorporated the Reports for the year ended on that date audited by the branch auditors of the Company's branches at Vesta Bikaner Palace (Bikaner), Vesta Maurya Palace (Jaipur), Vesta International (Jaipur), Vesta Jodhpur (Jodhpur), Vesta Avtar Resort (Pushkar) and Vesta Grand Central Udaipur (Udaipur).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit & total comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other

information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the standalone financial statements and our Auditor's Report thereon. The other information as identified above is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central

Government in terms of Section 143(11) of the Act, we give in **Annexure 'A'** our report on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;

(c) The reports on the accounts of the branch offices of the Company audited under Section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.

(d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and with the returns received from the branches not visited by us;

(e) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with the relevant rules issued thereunder;

(f) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.;

(g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the company and the operating effectiveness of such controls, refer to our separate report in **Annexure 'B'.** Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone financial statements.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company has not paid any remuneration to its directors, hence the provisions of section 197 are not applicable to the Company.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements – Refer Note No. 28(23) to the Standalone financial statements.

ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year.

iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 1 l(e), as provided under (a) and (b) above, contain any material misstatement.

v) The Company has neither proposed nor paid any dividend for the financial year, hence this sub-rule is not applicable.

vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

'ANNEXURE – B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting **Maple Hotels & Resorts Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting
Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion
In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS
Note 28

1. Company Overview
Maple Hotels & Resorts Limited is primarily engaged in the hospitality business of Hotels and Resorts under the brand name 'Vesta Hotels and Resorts'. The Company presently has five hotels providing four-star facilities – Vesta International and Vesta Maurya Palace, both located at Jaipur Vesta Bikaner Palace at Bikaner, Vesta Avtar Resort at Pushkar and Vesta Grand Cenal at Udaipur.

2. Statement of Compliance with Ind AS
These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in [Companies (Indian Accounting Standards) Rules, 2015] notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act)
The date of transition to Ind AS were 1st April 2016.

3. Significant Accounting Policies
3.1. Classification of Current and Non-Current
All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2. Historical Cost Conventions
These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

i) Certain financial assets and liabilities that are measured at fair value;
ii) Plan assets relating to defined benefit plans that are measured at fair value;

Historical cost is based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires the management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

3.3. Sales and Revenue Recognition
Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of discounts.

Revenue from sale of goods is recognized in the income statement when the title, risk and rewards of ownership pass to the buyer. Revenue from sale of services is recognized when the rendering of services are completed to the satisfaction of the customer.

3.4. Foreign Currency Transactions
Transactions in foreign currency are accounted for at the exchange rates prevailing on the date of transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year-end exchange rates.
Exchange Gains or Losses arising out of fluctuations in the exchange rates on settlement or translation are recognised in the Statement of Profit and Loss in the period in which they arise.

3.5. Government Grants
Government Grants/Assistance (Grant) are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognized in profit or loss on a systematic basis over the periods in which the Company recognizes as expenses the related costs for which the grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognized in profit or loss on a systematic basis over the useful life of the related assets.

3.6. Property, Plant and Equipment
i) Tangible Assets
Freehold and Leasehold land are carried at historical cost. All other items of are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purpose are carried at cost, less any recognized impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Items of property, plant and equipment are depreciated in a manner that amortise the cost of the assets net of its residual value, over their useful lives on a written down value method. For addition/disposal of items during the course of the year, depreciation/amortization is recognized on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act, 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Compensation receivable for acquisition of assets of the Company is accounted for upon acceptance of Company's claim by the appropriate authorities.

Impairment of Assets
Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

NOTE – 28 (Continued)

Transition to Ind AS
The Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP on transition to Ind AS and use that carrying value as the deemed cost of property, plant and equipment.

ii) Leases:
The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee
The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset
The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and its estimated useful lives of the assets, as follows:

Land 99 Years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment.

Lease liabilities
At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments, a change in the in-substance fixed lease payments or a change in the assessment of an option to purchase the underlying asset.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTE – 28 (Continued)

Short-term leases and leases of low-value assets
The Company applies the short-term lease recognition exemption to its short-term leases contracts including lease of guest houses (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment's that are low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense in Statement of Profit and Loss.

3.7. Intangible Assets
Intangible assets of the Company are recognized when it is an identifiable non-monetary asset without physical substance. An asset is recognized when it is expected to provide future economic benefits to flow to the Company. These assets are capitalized at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on intangible assets is recognized so as to write of its cost over the useful life.

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its intangible assets recognized as of 1st April, 2016 (transition date) measured as per the previous GAAP and use the carrying value as its deemed cost.

3.8. Financial instruments
Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:
- those subsequently measured at amortised cost.
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

Subsequent Measurement
- Financial assets measured at amortised cost
Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognized or impaired.

- Financial assets measured at fair value through other comprehensive income
Financial assets that are held within a business model of collection of contractual cash flows and where the assets' cash flow represents solely payment of principal and interest on the principal amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to statement of profit and loss.
Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognized, the cumulative gains or losses recognized in OCI is transferred within equity on such derecognition.

NOTE – 28 (Continued)

- Financial assets measured at fair value through profit or loss
Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets
The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognized in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognizes loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets
Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities
The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified at initial recognition and subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit and loss.

(iii) Derecognition of financial assets and financial liabilities
Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments
Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.9. Employee Benefits
a) Short Term Employee Benefits
These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Post Employment Benefits

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

NOTE – 28 (Continued)

(i) The Company operates defined Contribution Scheme of Provident Funds and makes regular contributions to Provident Funds. Such contributions are recognised in the Accounts on accrual basis.

(ii) The Company operates defined benefit Superannuation Scheme administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

(iii) The Company operates defined benefit Gratuity Scheme. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

3.10. Inventories
Inventories are valued at cost or Net Realisable Value, whichever is lower. Cost is computed on weighted average cost of procurements. Obsolete and slow moving inventories are fully depreciated in the Accounts.

3.11. Trade Receivables
Trade receivables are recognized at Fair Value less provision for impairment if any.

3.12. Provision and Contingent Liabilities
Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there are possible obligations which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

3.13. Borrowing Cost
Interest and other borrowing costs attributable to qualifying assets are capitalized. Other Interest and Operational Borrowing Costs are recognised as Revenue Expenditure in the year in which these are incurred and are charged to Profit and Loss.

3.14. Taxes on Income
Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable/recoverable in respect of previous years.
Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arise from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively

4. Financial Instruments and Related Disclosures

4.1. Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements during the peak season of capital as well as requirements for a comprehensive growth of the Company.

The Company also monitors capital management by using gearing ratio computed by net borrowings divided by own and loan capitals plus net borrowings.

5. Financial risk management objectives

The Company faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

NOTE – 28 (Continued)

a) Market risk
Though Covid-19 Pandemic outbreak has webbed out during the year under review, Probability of breakout of such contagious diseases in form of epidemic or pandemic cant be ruled out for future. Such Outbreaks, if happens, may hamper the public life and mind, thus affects their movability, hurting the travel and tourism industry in general, and Hospitality industry in particular.

Hotel business, as it is, sensitive to changes in global and domestic economies, changes in local market conditions, excess room supply, reduced international or local demand for hotel rooms and associated services, competition in the industry, government policies and regulations, fluctuations in interest rates and foreign exchange rates and other natural and social factors.

b) Foreign currency risk
Your Company may be impacted by the fluctuation of the Indian Rupee against other foreign currencies. To mitigate this risk the Company has migrated to single currency billing in Indian Rupees.

c) Interest rate risk
Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks as well as that on Inter Corporate deposits.

The Company manages such risk by proper leverage of its internal resources.
d) Interest rate sensitivity
Since both the Bank Borrowings (except repayable within One Year) are all long term in nature, the possible volatility in the interest rate exists.

e) Liquidity risk
Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movement of its inventories.

	693.35	**854.36**	**32.17**	**1579.88**

f) Credit risk
Credit risk is the risk that a counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assesses the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its rooms through the online system (OTAs) which is on cash and carry basis and through corporates and travel agents which are mostly backed by effective credit contracts and/or on advance basis.

NOTE – 28 (Continued)

g) Socio-Political Risk

The Hotel Industry faces risk from volatile socio-political environment, internationally as well as within the country. India, being one of the fastest growing economies of the world, continues to attract investments. However, any adverse events such as political instability, conflict between nations, terrorist attacks or spread of any epidemic or security threats to any country may affect the level of travel and business activity.

h) Security Risks

The Hotel Industry to flourish requires peace at all times. The biggest villain in South East Asia has been terrorism supplemented by political instability. Subsequent to the Mumbai terror attacks in November 2008, the hotel industry has invested substantially on security and intelligence. The security concerns have duly restored confidence in the customer by providing international standards of safety.

i) Company-specific Risks

Heavy Dependence on India: Your Hotels, primarily dependent on domestic tourists, face a risk in case there is an economic recession, political instability, spurt in terrorism or any socio political fallout within Union of India.

Risk of wage inflation: The Hotel Industry needs quality employees and with demand for the same improving across the industry, the Company feels that wage inflation would be a critical factor in determining costs for the Company. Thus, your Company will continue to focus on improving manpower efficiencies and creating a lean organization, while maximizing effectiveness in terms of customer service and satisfaction, which is an area of great importance for your Company.

6. Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data . If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximately at their fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 2 of the fair value hierarchy. There were no transfers between Level 1 and Level 3 during the year.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis

8. Lease

Effective April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019using the modified prospective method with the option to measure the ROU asset at an amount equal to the lease liability. Accordingly, the Company has not restated comparative information and therefore will continue to be reported under the accounting policies included as part of our annual report for the year ended 31.03.2019.

The company has applied the new standard to service contracts of land use.

The Company has applied following practical expedients on transition to Ind AS 116 on initial application:

a) Use of single discount rate to portfolio of leases of similar assets in similar economic environment with similar end date
b) Exclusion of initial direct cost from the measurement of the ROU asset at the date of initial application

The adoption of the new standard resulted in recognition of "Right-of-Use asset" of ₹38.93 lacs and a corresponding Lease liability of ₹38.93.

In respect of leasehold land that were classified as leases applying Ind AS 17, an amount of ₹1297.32 lacs (gross carrying amount) has been reclassified as ROU assets.

The following table provides a reconciliation of the Company's operating lease commitments as at 31.03.2019 to the total lease liability recognized on the balance sheet in accordance with Ind AS 116 as at 01.04.2019:

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
MAPLE HOTELS AND RESORTS LIMITED

Report on the Audit of the Consolidated Financial Statement

Opinion

We have audited the accompanying Consolidated financial statements of **Maple Hotels and Resorts Limited** ("the Company") and its associate company, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate company as at March 31, 2025, and their net loss & other comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the consolidated financial statements and our Auditor's Report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other

information identified and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind-AS") specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. The respective Board of Directors of the Company and its associate are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and its associate and for preventing frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Company and its associate are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associates are also responsible for overseeing the financial reporting process of the Company and its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the Direction, supervision and performance of the audit of the financial statements of the Company or business activities included in the Consolidated Financial Statements of which we are independent auditors. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The consolidated financial statements include the Group's share of net profit of Rs. 17.09 lacs and other comprehensive Profit of Rs. 34.43 lacs for the year ended 31st March, 2025, as considered in the consolidated financial statements, in respect of an associate, whose financial statements have been audited by other auditors. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements we give in **Annexure '1'** a statement on the matters specified in paragraph 3(xxi) of the Order.

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements we report that:

(a) We/ the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Company and its associate as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.;

(f) With respect to the adequacy of the internal financial controls over financial reporting the company and the operating effectiveness of such controls, refer to our separate report in **"Annexure 2**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company has not paid any remuneration to its directors, hence the provisions of section 197 are not applicable to the Company.

(a) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements:

i) The Company has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements – Refer Note No. 28(24) to the Consolidated financial statements.

ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii) There were no amounts which were required to be transferred to the Investor Education and

Protection Fund by the Company during the year.

iv) a) The respective managements of the Company have represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The respective managements of the Company whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

V) The Company has neither proposed nor paid any dividend for the financial year, hence this sub-rule is not applicable.

VI) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As per proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule ll(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is applicable for the financial year ended March 31, 2025, and the same has been complied with.

‘ANNEXURE – 2’ TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting **Maple Hotels & Resorts Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company and its associate, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTER

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to the associate company, is based on the corresponding reports of the auditor of such associate company.

The Company presently has three hotels providing four-star facilities – Vesta International and Vesta Maurya Palace, both located at Jaipur and Vesta Bikaner Palace at Bikaner.

2. Statement of Compliance with Ind AS
These consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as contained in [Companies (Indian Accounting Standards) Rules, 2015] notified under Section 133 and other relevant provisions of the Companies Act, 2013 (the Act)
The date of transition to Ind AS were 1st April 2016.

3. Significant Accounting Policies
3.1. Classification of Current and Non-Current
All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of classification of current and non-current assets and liabilities.

3.2. Historical Cost Conventions
These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

i) Certain financial assets and liabilities that are measured at fair value;
ii) Plan assets relating to defined benefit plans that are measured at fair value;

Historical cost is based on the fair value of the consideration received in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The preparation of financial statements in conformity with Ind AS requires the management to make estimates based on its judgements, and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision as well as for future periods if the revision affects both current and future periods.

The Consolidated Financial Statements comprise the financial statements of its Associate being Warren Tea Limited, India holding 26.75% ownership by the Company. Investments in Associate Companies are accounted for in accordance with Ind AS 28 on Investments in Associates or Joint Ventures in consolidated financial statements prescribed under the Act, under Equity method.

Note – 28 (Continued)

3.3. Sales and Revenue Recognition
Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of discounts.

Revenue from sale of goods is recognized in the income statement when the title, risk and rewards of ownership pass to the buyer. Revenue from sale of services is recognized when the rendering of services are completed to the satisfaction of the customer.

3.4. Foreign Currency Transactions
Transactions in foreign currency are accounted for at the exchange rates prevailing on the date of transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year-end exchange rates.
Exchange Gains or Losses arising out of fluctuations in the exchange rates on settlement or translation are recognised in the Statement of Profit and Loss in the period in which they arise.

3.5. Government Grants
Government Grants/Assistance (Grant) are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with the conditions attached to them.

Grants relating to income are recognized in profit or loss on a systematic basis over the periods in which the Company recognizes as expenses the related costs for which the grants are intended to compensate.

Grants relating to assets are presented as deferred income in the Balance Sheet and are recognized in profit or loss on a systematic basis over the useful life of the related assets.

3.6. Property, Plant and Equipment
i) Tangible Assets
Freehold and Leasehold land are carried at historical cost. All other items of are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items of the related property, plant and equipment.

Properties in the course of construction for production, supply or administrative purpose are carried at cost, less any recognized impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Items of property, plant and equipment are depreciated in a manner that amortise the cost of the assets net of its residual value, over their useful lives on a written down value method. For addition/disposal of items during the course of the year, depreciation/amortization is recognized on a pro-rata basis. Estimated useful lives of the assets are considered as specified in Schedule II of the Companies Act, 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

Note – 28 (Continued)

Compensation receivable for acquisition of assets of the Company is accounted for upon acceptance of Company's claim by the appropriate authorities.

Impairment of Assets
Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Transition to Ind AS
The Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP on transition to Ind AS and use that carrying value as the deemed cost of property, plant and equipment.

ii) Leases:
The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee
The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use asset
The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received.

Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and its estimated useful lives of the assets, as follows:

Land 99 Years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment.

Lease liabilities
At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the

Note – 28 (Continued)

carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments, a change in the in-substance fixed lease payments or a change in the assessment of an option to purchase the underlying asset.

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Short-term leases and leases of low-value assets
The Company applies the short-term lease recognition exemption to its short-term leases contracts including lease of guest houses (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment's that are low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense in Statement of Profit and Loss.

3.7. Intangible Assets
Intangible assets of the Company are recognized when it is an identifiable non-monetary asset without physical substance. An asset is recognized when it is expected to provide future economic benefits to flow to the Company. These assets are capitalized at the price what would be received to sale an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Useful life is determined as the period over which an asset is expected to be available for use by the Company. Depreciation on intangible assets is recognized so as to write of its cost over the useful life.

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its intangible assets recognized as of 1st April, 2016 (transition date) measured as per the previous GAAP and use the carrying value as its deemed cost.

3.8. Financial instruments
Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets Recognition and Classification

The financial assets are classified at initial recognition in the following measurement categories as:
- those subsequently measured at amortised cost.
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

Subsequent Measurement
- Financial assets measured at amortised cost
Financial assets which are held within the business model of collection of contractual cash flows and where those cash flows represent payments solely towards principal and interest on the principal amount outstanding are measured at amortized cost. A gain or loss on a financial asset that is measured at amortised cost is recognised in profit or loss when the asset is derecognized or impaired.

- Financial assets measured at fair value through other comprehensive income
Financial assets that are held within a business model of collection of contractual cash flows and where the assets' cash flow represents solely payment of principal and interest on the principal

Note – 28 (Continued)

amount outstanding are measured at fair value through OCI. Movements in carrying amount are taken through OCI, except for recognition of impairment gains or losses.

When a financial asset, other than investment in equity instrument, is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to statement of profit and loss.
Classification of equity instruments, not being investments in subsidiaries, associates and joint arrangements, depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI. When investment in such equity instrument is derecognized, the cumulative gains or losses recognized in OCI is transferred within equity on such derecognition.

- Financial assets measured at fair value through profit or loss
Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Movements in fair value of these instruments are taken in profit or loss.

Impairment of financial assets
The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Impairment losses are recognized in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. The Company recognizes loss allowances on trade receivables when there is objective evidence that the Company will not be able to collect all the due amounts depending on product categories and the payment mechanism prevailing in the industry.

Income recognition on financial assets
Interest income from financial assets is recognised in profit or loss using effective interest rate method, where applicable. Dividend income is recognized in profit or loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(ii) Financial Liabilities
The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified at initial recognition and subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method.

Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit and loss.

(iii) Derecognition of financial assets and financial liabilities
Financial assets are derecognized when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iv) Offsetting of financial instruments
Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Note – 28 (Continued)

3.9. Employee Benefits
a) Short Term Employee Benefits
These are recognised at the undiscounted amount as expense for the year and are expensed as the related service is provided.

b) Post Employment Benefits
Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

(i) The Company operates defined Contribution Scheme of Provident Funds and makes regular contributions to Provident Funds. Such contributions are recognised in the Accounts on accrual basis.

(ii) The Company operates defined benefit Superannuation Scheme administered by the Trustees, which are independent of the Company's finance. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

(iii) The Company operates defined benefit Gratuity Scheme. Such obligations are recognised in the Accounts on the basis of actuarial valuation applying Projected Unit Credit Method including gains and losses at the year-end.

3.10. Inventories
Inventories are valued at cost or Net Realisable Value, whichever is lower. Cost is computed on weighted average cost of procurements. Obsolete and slow-moving inventories are fully depreciated in the Accounts.

3.11. Trade Receivables
Trade receivables are recognized at Fair Value less provision for impairment if any.

3.12. Provision and Contingent Liabilities
Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking in to account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are disclosed when there are possible obligations which may arise from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

Note – 28 (Continued)

3.13. Borrowing Cost

Interest and other borrowing costs attributable to qualifying assets are capitalized. Other Interest and Operational Borrowing Costs are recognised as Revenue Expenditure in the year in which these are incurred and are charged to Profit and Loss.

3.14. Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current Tax in the statement of profit and loss is determined as the amount of income-tax payable/recoverable in respect of the taxable income for the current period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable/recoverable in respect of previous years.
Deferred Tax is recognised on temporary differences between the carrying amount of assets and liabilities and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax Assets are recognised subject to the consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Such deferred tax assets and liabilities are not recognized if the temporary differences arise from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity net of tax respectively

4. Financial Instruments and Related Disclosures

4.1. Capital Management

The Company's objective is to have a strong capital base in order to maximise the shareholders' wealth and to ensure the continuity of the business from its internal resources and if found necessary, from a judicious use of borrowing facilities to fund requirements during the peak season of capital as well as requirements for a comprehensive growth of the Company.

The Company also monitors capital management by using gearing ratio computed by net borrowings divided by own and loan capitals plus net borrowings.

5. Financial risk management objectives

The Company faces a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on business risk management. The Company management seeks to enable the early identification, evaluation and effective management of key risks facing the business. The Company has strong internal control systems resting on policies and procedures issued by appropriate authorities, process of regular audits and monitoring of risks.

a) Market risk

Though Covid-19 Pandemic outbreak has webbed out during the year under review, Probability of breakout of such contagious diseases in form of epidemic or pandemic can't be ruled out for future. Such Outbreaks, if happens, may hamper the public life and mind, thus affects their movability, hurting the travel and tourism industry in general, and Hospitality industry in particular.

Hotel business, as it is, sensitive to changes in global and domestic economies, changes in local market conditions, excess room supply, reduced international or local demand for hotel rooms and associated services, competition in the industry, government policies and regulations, fluctuations in interest rates and foreign exchange rates and other natural and social factors.

b) Foreign currency risk

Your Company may be impacted by the fluctuation of the Indian Rupee against other foreign currencies. To mitigate this risk the Company has migrated to single currency billing in Indian Rupees.

c) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objective of the Company is to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its borrowings from banks as well as that on Inter Corporate deposits.

The Company manages such risk by proper leverage of its internal resources.

Note – 28 (Continued)

d) Interest rate sensitivity
Since both the Bank Borrowings (except repayable within One Year) are all long term in nature, the possible volatility in the interest rate exists.

e) Liquidity risk
Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations. The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movement of its inventories.

The following shall be the remaining maturities of financial liabilities at 31.03.2025

	693.35	***854.36***	***32.17***	***1579.88***

f) Credit risk
Credit risk is the risk that a counter party will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assesses the credit quality of its customers. The credit risk of the Company is relatively low as the Company also sells largely its rooms through the online system (OTAs) which is on cash and carry basis and through corporates and travel agents which are mostly backed by effective credit contracts and/or on advance basis.

g) Socio-Political Risk
The Hotel Industry faces risk from volatile socio-political environment, internationally as well as within the country. India, being one of the fastest growing economies of the world, continues to attract investments. However, any adverse events such as political instability, conflict between nations, terrorist attacks or spread of any epidemic or security threats to any country may affect the level of travel and business activity.

h) Security Risks
The Hotel Industry to flourish requires peace at all times. The biggest villain in South East Asia has been terrorism supplemented by political instability. Subsequent to the Mumbai terror attacks in November 2008, the hotel industry has invested substantially on security and intelligence. The security concerns have duly restored confidence in the customer by providing international standards of safety.

i) Company-specific Risks
Heavy Dependence on India: Your Hotels, primarily dependent on domestic tourists, face a risk in case there is an economic recession, political instability, spurt in terrorism or any socio political fallout within Union of India.

Note – 28 (Continued)

Risk of wage inflation: The Hotel Industry needs quality employees and with demand for the same improving across the industry, the Company feels that wage inflation would be a critical factor in determining costs for the Company. Thus, your Company will continue to focus on improving manpower efficiencies and creating a lean organization, while maximizing effectiveness in terms of customer service and satisfaction, which is an area of great importance for your Company.

6. Fair value measurements

Fair value hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3:

Inputs for the assets or liabilities that are not based on observable market data . If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

The management consider that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximately at their fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 2 of the fair value hierarchy. There were no transfers between Level 1 and Level 3 during the year.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis

(₹ in Lakhs)

Financial Assets	Fair Value Hierarchy	Fair Value	
		31st March, 2025	31st March, 2024
Equity Shares	Level 3	96.74	*93.00*

7. On March 11, 2020, the World Health Organization declared Covid-19 outbreak as a pandemic. Responding to the potentially serious threat that this pandemic has to public health, Government have taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the globe including in India. The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic have posed challenges for travel and tourism in general, and hotel industry in particular.

However, with reduction in Covid-19 cases post second and third wave in India, there has been a continuous and ready recovery for travel and tourism sector occupancy, both in terms at Room and outlet have increased.

The Company has assessed the potential impact of Covid-19 on its capital and financial resources, profitability, liquidity position, ability to service debt and other financing arrangements, supply chain and demand for its services. Various Steps have been initiated to raise finances from banks for working capital needs.

Note – 28 (Continued)

The Company has made an assessment on the recoverability and carrying value of its assets comprising of property, plant & equipment, investments, trade receivables, inventories, and other assets appearing in the financial statements of the Company and the management is of the view that there are no material adjustments required in the financial statements. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The company will continue to monitor any material changes to future economic conditions.

8. Lease

Effective April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019using the modified prospective method with the option to measure the ROU asset at an amount equal to the lease liability. Accordingly, the Company has not restated comparative information and therefore will continue to be reported under the accounting policies included as part of our annual report for the year ended 31.03.2019.

The company has applied the new standard to service contracts of land use.

The Company has applied following practical expedients on transition to Ind AS 116 on initial application:

a) Use of single discount rate to portfolio of leases of similar assets in similar economic environment with similar end date
b) Exclusion of initial direct cost from the measurement of the ROU asset at the date of initial application

The adoption of the new standard resulted in recognition of "Right-of-Use asset" of ₹38.93 lacs and a corresponding Lease liability of ₹38.93.

In respect of leasehold land that were classified as leases applying Ind AS 17, an amount of ₹1297.32 lacs (gross carrying amount) has been reclassified as ROU assets.

The following table provides a reconciliation of the Company's operating lease commitments as at 31.03.2019 to the total lease liability recognized on the balance sheet in accordance with Ind AS 116 as at 01.04.2019:

2. BOARD REPORT

Based on review of the Draft Scheme of Amalgamation and the above-mentioned documents, the Board has formed the opinion that:

A. The Scheme of Amalgamation of Warren Tea Limitedwith and intoMaple Hotels & Resorts Limited, is in accordance with Section 230 to 232 of the Companies Act, 2013 and other applicable laws.

B. The proposed Scheme of Amalgamation involves the following:

1. The amalgamation of WTL ("**the Transferor Company**") with and into MHRL ("**the Transferee Company**") will enhance the potential for business and yield beneficial results for the Company, their respective shareholders, creditors and employees:
   a. The Transferor Company and the Transferee Company belongs to the same Promoter Group.
   b. There exists an associate relationship between the Transferor Company and the Transferee Company.
   c. The Scheme would unlock value of Hotel Business for existing shareholders of the Transferee Company through independent market driven valuation of their shares, which will be listed pursuant to the Scheme, along with the option and flexibility to remain invested in a pure play hospitality focused listed entity. In addition, the shareholders of the Transferor Company shall gain exposure to the hospitality sector by virtue of the Transferee Company's ownership and registration of the Trade Mark "Vesta Hotels & Resorts". The registration of the trademark empowers the shareholders of the Transferor Company with enhanced strategic influence in the brands future direction and serves as a valuable asset, conferring significant brand – related advantages to the shareholders of the Transferor Company.

WARREN TEA LIMITED

Soma Chakraborty
Executive Director & Company Secretary

d. The amalgamation of these Companies will lead to better administrative control and will be convenient for the Company to operate as a combined entity.

e. The funds of the Transferor Company will be more effectively invested and utilized in advancing the business objectives of the Transferee Company in the Hospitality Sector, under unified management and a consolidated operational framework.

f. The amalgamation will provide an opportunity to leverage combined assets and build a stronger sustainable business.

g. The amalgamation will result in prevention of cost duplication and the resultant operations would be substantially cost – efficient. Consequently, the Transferee Company will offer a strong financial structure and facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase the operational efficiency and integrate business functions.

h. The merger of the Applicant Companies will help in creation of a platform for expansion of future business activities, and act as a gateway for growth and expanding business operations.

i. This Scheme of Amalgamation does not operate to the detriment of any stakeholder.

In these circumstances, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.

C. The merger of Warren TeaLimited and Maple Hotels & Resorts Limited pursuant to and in accordance with this Scheme shall take place with effect from the Appointed Date and shall be in accordance with Section 2(1B) of the Income Tax Act, 1961.

WARREN TEA LIMITED

Soma Chakraborty
Executive Director & Company Secretary

D. Maple Hotels & Resorts Limitedshall issue and allot 1 Equity Shares of Rs. 10/- each credited as fully paid up for every 1 Equity Shares of Rs. 10/- each, fully paid up, held by the shareholders of Warren TeaLimited upon the Scheme becoming operative.

E. Upon the Scheme becoming effective, all the Equity Shares held by the Transferor Company in the Transferee Company, whether held directly or through nominees, shall stand cancelled/reduced, without any further act or deed or instrument in accordance with the provisions of Section 66 of the Act and the order of the NCLT sanctioning the scheme shall be deemed to be also the order under Section 66 of the Act for the purpose of confirming the reduction.
